

**APPENDIX 1**  
*The Original Narrative  
Texts of the Students*

**Student A****Judy Wanted a Big Dog**

There was a young lady. Judy was the name of the young lady. Judy was a dog lover. Judy want a large dog. Judy travelled to Japan to see a pet store.

The grocer in Japan, on the other hand, only had little dogs. There were no large dogs present. She was depressed. She, on the other hand, did not give up. Judy then boarded a train to Russia. He went to a bank, but no huge dogs were present at that Russian bank. Judy was disappointed because there were no dogs at the Russian bank.

Then, she made her way to Germany on foot. He visited a pet store. Judy was overjoyed since the pet shop in Germany had five large dogs. Judy went out and got a large white and brown dog. The purchase price was set at 5 million Euros. Judy was pleased have a large dog, but she had little money.

**Student B****Weakness**

Once upon a time, in a school there was a child who liked to ridicule the weaknesses of others, his name was Jonny. Jhonny likes to annoy mia by giving mia a cockroach. He gives Mia a cockroach because Mia is afraid of cockroaches.

Jhonny and Mia were assigned by their teacher to pick up used bottles on the school rooftop. They both went up to the rooftop. When they got to the rooftop, Johnny was scared, then he ran back to class. Mia returned to her class and gave the used bottle that the teacher asked for. The teacher also asked jhonny

why he left mia on irooftop. Jhonny realized that he also had a fear of heights and told this to his teacher. His classmates laughed, and jhonny was very embarrassed. Then jhonny apologized to mia because he often taunted her, and promised never to bother again.

### **Student C**

Odette , Princess of swan lake

"Swan Lake" is a timeless love story that blends magic. Tragedy and romance into four acts. It features Prince Siegfried and a beautiful goose princess named Odette. Under the spell of a shaman, Odette spends her days as a swan swimming in a lake. The couple quickly fell in love. As in most fairy tales, things are not that easy and the shaman has more tricks to play. That brings Odile, into the picture. Confusion, forgiveness, and a happy ending with Siegfried and Odette together forever.

### **Student D**

Too often playing Mobile games

One day there was a boy named Dwik who was my younger brother. He likes playing games. The game was Mobile Legend. He often plays Mobile Legend games in his spare time, but sometimes he also forgets when playing games, to the point that he forgets time to eat and study. He once complained of sore eyes and injured his thumb. And his parents reprimanded him, to the point that his cell phone was confiscated so that what he wanted did not happen. And

finally, he only played the game when he finished studying with a maximum playing time of 1 hour.

### **Student E**

#### Monkey Greedy

One day there lived a monkey who was very greedy. Every day the monkey only spends his time to eating and sleeping. The greedy monkey friends invited him to find food together but the greedy monkey did not want to. When the monkey's friend came with food, the greedy monkey immediately snatched it from his friends. The greedy monkey friends are a little annoyed with the greedy monkey's behavior.

Then one morning, the monkey friends invited the greedy monkeys to find food together. But the greedy monkey no longer wants to find food. Then one night the greedy monkey ran out of food. That is because they never go looking for food with their friends, the greedy monkeys starve all night long and make their stomachs hurt from not eating all night.

### **Student F**

#### The Blind Girl

There was a blind girl who was enraged by the world and detested everything. She didn't have many friends and just had one lover who adored her. She used to remark that if she could see him, she'd marry him. Someone unexpectedly gave her a set of eyeballs one day. She was taken aback when she

finally saw her lover and discovered that he was blind. “You can see me now, may we be married?” the man said. “And do what?” she answered. We'd never be content. I've regained my eyes, but you're still blind. I'm afraid it won't work out.” “I understand,” he murmured softly, a tear in his eye and a grin on his face. I simply want.

### **Student G**

#### The Hen with the Silver Eggs

A woman went to the market one day in an Arabian city and purchased a pretty hen. The hen she had bought produced a silver egg a few days later, make her shock. The woman felt sure she would never have to work again if the hen can be coaxed to lay more than one egg each day. As a result, the woman decided to force the hen to eat more in order to make it to produce more eggs. The only impact was that the hen died of indigestion and stopped laying eggs altogether.

### **Student H**

#### a Hat Seller and The Monkeys

Once upon a time, a hat salesman was traveling through the forest. He was exhausted and needed to take a break. Then he came to a halt and spread a towel underneath a tree.

He sat down with his cap on his head, his bag full of hats close him. For one hour, the hat seller slept soundly. When he peered up into the sky, he was taken aback to discover monkeys sitting on the limbs of a tree, each with a hat on their heads.

It was clear that they were attempting to emulate him. Then he decided to return his headwear to the monkeys by making a simple request. The monkeys merely made faces at him in response. When he started making gestures, the monkeys followed suit. Finally, he came up with a brilliant idea. He thought to himself, "Monkeys are terrific imitators." So he removed his own headgear and tossed it to the ground. And, as he had predicted, all of the monkeys removed their headgear and tossed them on the ground. He quickly rose up, got the hats, placed them in his bag, and walked away.

### **Student I**

#### Legend of Surabaya

Sura and Baya are the two animals. The shark's name is Sura, and the crocodile's name is Baya. They're marine animals. Sura and Baya were seeking for food at the time. Baya saw a goat at the moment and said, "Yummy, this is my meal," and Sura mentioned, "There's no way, "You're selfish." After that, they battled over goats. They were exhausted after a few hours.

They live in various areas because they are bored of arguing. Sura is a water animal, whereas Baya is a land animal. They would never fight again because borders are beaches. One day, Sura went to the ground and looked for food in the river. He was very hungry and there wasn't much food in the sea. Baya is very angry when she finds out that Sura is reneging on a promise. They fought again. They both hit each other. Sura bites Baya's tail. Baya does the same thing to

Sura. He bites so hard that Sura finally gives up and returns to the sea. Baya happy.

### **Student J**

#### Ana And The Frog

Ana enjoyed running around in the fields. Her parents lived near a rice field, which they frequented on a daily basis. Ana may play beside a tiny brook and get his feet wet there. Ana like hunting tiny game. Crickets, frogs, and fireflies were among his favorite prey. She captured a frog and put it in a jar one day. When she was ready to pick up the frog, the frog glanced at hers and said, "If you kiss me, I will become a Prince." Ana finally kissed the frog, and he was transformed into a prince. They were good friends after that.

### **Student K**

#### Snow white

Once upon a time, a Queen sat behind the window, stitched and watched the snow fall. Her finger was accidentally injured by a sewing needle, and her blood flowed into the snow. As a result, the queen also desired a kid with skin as white as snow and lips as crimson as blood. After some time had passed, the queen gave birth to a child named Snow White, as he had predicted. Snow White's mother died when she was a young girl, and her father married a wicked queen. "Who is the most gorgeous woman in ther earth?" the queen questioned the magical mirror every day. "You are the most gorgeous," the magical mirror said.

And then the queen asked the mirror the same question again, but this time she received a different answer. The queen felt angry and planned to murder the most beautiful snow white in the country after the magic mirror stated it. Snow White bought and ate a poisoned apple that the queen disguised as a merchant of poisoned apples. Snow White eventually fell slumber, joined by the dwarves, for a long time. One day, a prince went to the forest and saw the sleeping Snow White; the prince liked her and kissed her, causing Snow White to awaken from her slumber. They both married and had a happy life together.

#### **Student L**

##### The Fox and the Grapes

A fox was wandering through the woods one day when he noticed a cluster of grapes, hanging from a high limb. The fox said, "Just the thing to quench my thirst." The fox took a few paces back and leapt, narrowly missing the dangling grapes. The fox stepped back a few yards and attempted to approach them again, but was unsuccessful. "They're probably sour anyways," the fox grumbled as he turned his nose up. Then the fox started walking away.

#### **Student M**

##### The Rabbit and the Turtle

A rabbit was bragging about how fast he could sprint one day. He was giggling at the turtle's sluggishness. The rabbit was surprised when the turtle challenged him to a race. The rabbit accepted the challenge since he believed it was a nice prank. The fox was supposed to be the race's umpire. The rabbit started

the race far ahead of the turtle, exactly as everyone expected. When the rabbit reached the midway point, he couldn't find the turtle. He was hot and fatigued, so he decided to pull over and take a sleep. The turtle continued to move in a step-by-step way during this time. No matter how hot or exhausted he was, he never gave up. He simply kept going and going.

However, the rabbit slept longer than he had anticipated and awoke. The turtle was nowhere to be seen! He raced to the finish line at high speed, and the turtle had arrived first.

#### **Student N**

##### Golden Eggs and Geese

One time a farmer went to the goose's nest and found eggs there, all yellow and shiny. When he took it, it weighed like a rock. He's going to throw it away because he thinks someone's playing him. But when looking back, he took it home and he happily discovered that it was a pure golden egg! He sells eggs for a lot of money. Every morning geese lay another golden egg and soon the farmer is enriched by selling eggs. When he gets rich, he also gets greedy. "Why should I wait to get only one egg a day?" He thought. "I'll open the goose and remove all the eggs at once." When the goose hears the farmer's plan, he flies to a nearby farm. So when the farmer came out the next day, he didn't put anything in the goose nest.

#### **Student O**

##### Three Fishes

Three fish used to reside in a pond. Some fisherman happened to be passing by the pond one evening and noticed the fish. "There are a lot of fish in this pond. We've never fished in this area before. We need to return with our nets early tomorrow morning to catch these fish." The fisherman then left.

The eldest fish was disturbed when he heard this. He gathered the other fish and said, "We must leave this pond immediately." Tomorrow, the fisherman will come back and slaughter us all." The second fish nodded in agreement. The youngest fish chuckled. "Should these folks be allowed to return? I'm not leaving; my good fortune will keep me safe." The eldest fish and his entire family fled the pond that evening. When the second fish noticed the fishermen approaching in the location early the next morning, he immediately left the pond with his entire family. Even then, the third fish refused to depart.

When the fishermen arrived, they caught all of the remaining fish in the pond.

**Student P**

Pinocchio

Once upon a time, there was a period when Lonely amid a vast pine forest in the Italian countryside. He had always wished to start a family. He goes to cut wood for city dwellers every day. One day, an idea came to him: he wanted to make a doll, which he would name Pinocchio. He created the doll, and the doll came alive at night! After a year of joy and suspense, Gepetto informed Pinocchio on Sunday morning that it was his birthday. I hope you remember it! Yes, of

course! Pinocchio is uncomfortable. He is unconcerned about it. Gepetto's birthday is barely three days away, and he hasn't planned anything for it. After a long night of deliberation, Pinocchio decided to give his made chocolate cake as a gift.

Pinocchio gets ready to walk outdoors when the sun rises to find the materials. The big issue is that he has no idea what he entered or how to make a cake. So after school, he decided to go acquire things for someone to create a cake. The wooden doll Pinocchio met the city of shaman on his journey. Do you ask for help with your chocolate cake, my little boy? Can you assist me, Hum? , Pinocchio inquired. Sure, I'm capable. Please follow me! After a few minutes of traveling, Pinocchio came upon a huge candy store. Pinocchio was trapped by a big cage as they entered together. "Yyihaa Finally, I'll be able to catch you! You are mine, and you will serve me!" Says the nasty witch, she replies.

### **Student Q**

#### **The Poor Monkey**

Once upon a time, Monkeys used dance during animal gatherings, and they were all so pleased with his look that they made him their king. Envious of his honor, and took the Monkey there. The fox explained that he had discovered a store in the jungle that he had not used, but had reserved for him as his royal treasure, and recommended him to take it. "Oh Monkey, and you with thinking like yours, will become the King of animals," Fox said as the monkey approached recklessly and was caught in a trap.

## Apple Tree And a Boy

Once upon a time, there was a large apple tree that provided delicious apples to the people who lived nearby. There was also a young boy who became an apple tree's best buddy.

The boy used to climb the apple tree's branches, sleep in its shadow, and pluck its apples when he was younger. He went to the apple tree every day and ate some apples. After several days, the boy came to the tree. The apple tree was so happy to see the boy. It asked the boy to play. Unfortunately, the boy said that he was not a child anymore. He didn't want to play with the tree. But he asked another request to the apple tree. The boy said he needed toys, but his parents didn't have money to buy it for him. The tree said, "Dear my boy, i don't have any money to buy it for you, but you can pick my apples, then sell them, get money and buy the toys you want." The boy went happily to his home after plucking apples. The tree was waiting to see the boy return. But he never came back for many years. The apple tree was sad and it didn't produce any apples anymore.

**Student S**

## Red Riding Hood

Once upon a time, there was a lovely girl who wore a crimson cape with a hood all the time. She was named "Red Riding Hood." She planned to pay a visit to his grandma, who lived deep in the woods. Her mother forbade her from conversing with strangers.

A ruthless wolf resided in the woods. The wolf wanted to eat Red Riding Hood when he spotted her. The wolf approached her and inquired about her plans. The wolf made the decision to eat his grandma first, then wait for his mother. The wolf gobbled Grandma whole when he got at her house. The wolf then carefully dressed on Grandma's garments and crept into bed, waiting for the Red Riding Hood. When the Red Riding Hood saw the grandmother's arm, ears, and enormous fangs, she was taken aback. In a second, the wolf sprang out laughing and pouncing on her. Red Riding Hood was afraid and cried out for assistance. At home, a good woodcutter noticed the enormous wolf attempting to get the tiny girl. He slammed his ax into the wolf's head right away.

The grandma was cut out of the wolf's stomach by the woodcutter and Red Riding Hood. She joyfully hugged Red Riding Hood. A large terrible wolf could no longer harm anyone. The Red Riding Hood had never spoken to a stranger since that day.

Ant and Bird

Once upon time, There are ants hunting for water. Finally, the ant came upon a lake and want to sip the water. But then something unexpected happened: the ant fell into the water. And despite the ant's best efforts to maintain their bodies afloat in the water, the ant eventually becomes exhausted and accepts the condition. Ants pray to God for assistance, saying, "God, please aid me." Finally, a dove appears and offers assistance to the ant. The dove dropped a leaf, the ant climbed it, and the ant was able to remain floating and reach the lake's shore.

Finally, the ant manages to make it to the lake's edge. The ant remarked, "Thank you dove, you helped me," to which the dove replied, "You are welcome, be cautious," and then flew away from the ant.

#### **Student U**

##### Rats and pigeons

One hot day, a mouse was looking for water. After wandering around for a while, he came to spring. In order to reach the spring, he had to walk a very long way. When he was almost there, he slipped and accidentally fell into the abyss.

He might have fallen off the cliff if the dove in the tree nearby didn't see him. Seeing that the mouse was in trouble, the dove quickly plucked a leaf from the tree and immediately dropped it into the ravine near the rat who was trying to save himself. Then the mouse moved towards the tree branch and climbed on it. Immediately carried safely to dry land. Not long after that, there was a hunter who threw a net at a dove, hoping to trap him in this way. Thinking for a moment about what he should do, then the mouse quickly bit the heel of the person.

Feeling pain, the hunter dropped the net and then a dove flew quickly out of the net.

### **Student V**

#### Fox and Cat

Foxes and cats were having a friendly conversation one day. Foxes are conceited creatures who frequently boast about themselves. "At least I know a hundred methods to keep away from the dog," the fox stated at the time. Cat said: "I only know one method to deceive dogs." "All well, maybe someday when I have time, I'll teach you," Fox answered. A swarm of dogs approached them a moment later, and they heard barking. "This is the only trick I know," the cat said as he dashed for the tree. "Which of your hundred tricks?" the cat inquired.

The fox sat peacefully underneath the tree, pondering which tricks he should do. The dog mobbed the fox even before he had a trick.

### **Student W**

#### Ants and doves

An ant was looking for some water on a sweltering day. She arrived to a spring after strolling around for a while. She had to climb up a blade of grass to get to the spring. She stumbled and fell into the lake accidentally while climbing up.

She may have drowned if a dove hadn't noticed her. When the dove noticed the ant was in distress, it hurriedly plucked a leaf from a nearby tree and

dropped it into the water near the struggling ant. The ant then came closer to the leaf and crawled up it. It quickly brought her to dry ground.

Soon later, a hunter arrived and threw his net at the dove, expecting to catch it in this way. The ant quickly bit him in the heel, assuming what he should do. The hunter dropped his net as he felt the agony, and the dove flew away rapidly.

### The Legend of Prambanan Temple

Once upon a time, a great ruler named Bandung Bondowoso reigned supreme. Prabu Baka was slain by Bandung Bondowoso during a conflict. Then Bandung Bondowoso fell in love with Roro Jonggrang, Prabu Baka's daughter.

Bondowoso has his heart set on marrying this lovely princess. Besides, the princess hates him because he killed her father. Roro Jonggrang was considering how to decline Bondowoso's marriage proposal. Finally, she determined that she would marry Bondowoso provided he could construct a thousand temples before sunrise.

Bondowoso erected several temples quickly with the assistance of genies. Roro Jonggrang wanted to let him down. She requested that all of the ladies in her community hit rice so that the rooster could signify that dawn was approaching. Until 999 temples, all genies abandoned their endeavor. They assumed that morning would follow.

Finally, Bondowoso realized he had been duped by Roro Jonggrang. He became enraged and cursed Roro Jonggrang, turning her into a rock statue known as "Arca." To finish the idea of a thousand temples, Roro Jonggrang's statue is located within Candi Prambanan.

### **Student AB**

#### Rabbit dan grape

A rabbit was wandering through the woodland one day when he came upon a cluster of grapes hanging from a high limb. The rabbit said, "Just the thing to quench my thirst."

The rabbit jumps after taking a few paces backward, but he missed the hanging grapes. The rabbit took a few steps backwards, sprinted, and attempted to reach them again, but he was unsuccessful.

Finally, the rabbit said, “They're probably sour anyway,” before walking away.

- Clause 3 b And the fox leaped
- Clause 3 c Narrowly the fox missed the dangling grapes.
- Clause 4 a The fox stepped back a few yards
- Clause 4 b And attempted to approach them again,
- Clause 4 b But the fox was unsuccessful.
- Clause 5 a They're probably sour anyways
- Clause 5 b The fox grumbled
- Clause 5 c As he turned his nose up.
- Clause 6 Then the fox started walking away.

### **Student M**

- Clause 1 a : A rabbit was bragging
- Clause 1 b : About how fast he could sprint one day.
- Clause 2 : He was giggling at the turtle's sluggishness.
- Clause 3 a : The rabbit was surprised
- Clause 3 b : When the turtle challenged him to a race.
- Clause 4 a : The rabbit accepted the challenge
- Clause 4 b : Since he believed
- Clause 4 c : It was a nice prank.
- Clause 5 : The fox was supposed to be the race's umpire.
- Clause 6 a : The rabbit started the race far ahead of the turtle,
- Clause 6 b : Exactly as everyone expected.

- Clause 7 a : When the rabbit reached the midway point,
- Clause 7 b : He couldn't find the turtle.
- Clause 8 a : He was hot
- Clause 8 b : and he fatigued,
- Clause 8 c : So he decided to pull over
- Clause 8 d : And he take a sleep.
- Clause 9 : The turtle continued to move in a step-by-step way during this time.
- Clause 10 a : No matter how hot or exhausted he was,
- Clause 10 b : He never gave up.
- Clause 12 a : However, the rabbit slept longer
- Clause 12 b : Than he had anticipated and awoke.
- Clause 13 : The turtle was nowhere to be seen!
- Clause 14 a : He raced to the finish line at high speed,
- Clause 14 b : And the turtle had arrived first.

**Student N**

- Clause 1 a : One time a farmer went to the goose's nest
- Clause 1 b : And He found eggs there, all yellow and shiny.
- Clause 2 a : When he took it,
- Clause 2 b : It weighed like a rock.
- Clause 3 a : He was going to throw it away
- Clause 3 b : Because he thinks someone's playing him.

- Clause 4 a : But when he looked back,
- Clause 4 b : He took it home
- Clause 4 c : And happily discovered
- Clause 4 d : That it was a pure golden egg!
- Clause 5 : He sold eggs for much money
- Clause 6 : Every morning geese lay another golden egg
- Clause 6 : And soon the farmer is enriched by selling eggs.
- Clause 7 : When he got rich,
- Clause 7 : He also got greedy
- Clause 8 : "Why should I wait to get only one egg a day?"
- Clause 8 : He thought.
- Clause 9 : I'll open the goose
- Clause 9 : And I remove all the eggs at once.
- Clause 10 : When the goose heard the farmer's plan,
- Clause 10 : He flew to a nearby farm.
- Clause 11 : So when the farmer came out the next day,
- Clause 11 : He didn't put anything in the goose nest.

### **Student O**

- Clause 1 : Three fish used to reside in a pond.
- Clause 2 a : Some fisherman happened
- Clause 2 b : And noticed the fish.
- Clause 3 : There is much fish in this pond.
