

Blueprint of Questionnaire

- a. Blueprint kuesioner penelitian tentang penggunaan YouTube videos pada pembelajaran bahasa, kendala yang di hadapi siswa dalam menggunakan YouTube videos pada pembelajaran mereka, dan strategi yang digunakan siswa untuk menghadapi kendala tersebut.

Aspects of Data	Question Items	Number of items
Use of YouTube Videos as learning media	1. Does the learning process in Introduction to Literature (ITL) Class use YouTube Videos as learning media?	3
	2. How many YouTube videos are used as learning media in one meeting in ITL?	
	3. How many meetings in ITL e-learning provide YouTube videos as learning media?	
Use of YouTube Videos as media for submitting assignment	4. Does the learning process in ITL Class use YouTube as a medium for submitting assignments?	2
	5. How many meetings in ITL Class allow the use of YouTube as medium for submitting assignments?	
Relevance of YouTube Videos as learning material with learning objectives	6. Are the YouTube Videos which are included in the e-Learning of ITL Class relevant with the learning goals?	5
	7. Do the YouTube videos in the e-Learning of ITL Class help you understand the learning material?	
	8. Does making your assignments in videos to be uploaded on YouTube help you show your understand the learning material?	
	9. Does the lecturer provide explanations for clarifying the material in the YouTube videos	

	included in the e-Learning of ITL?	
	10. Does the lecturer provide interactive discussions about essential points related to the learning material provided in the e-Learning of TTL?	
Relevance of YouTube Videos as learning material with the students' characteristics	11. Are the YouTube videos included in e-Learning of ITL Class suitable for your level of language proficiency?	4
	12. Are the YouTube videos included in the e-Learning of ITL Class suitable with the present context of digital age?	
	13. Is the language used in the YouTube videos provided in the e-Learning of ITL Class suitable for 3 rd semester students of English Language Education?	
	14. Is the language used in the YouTube videos provided in the e-Learning of ITL Class understandable without subtitle?	
Directions from lecturer about the use of YouTube Videos	15. Does the lecturer provide oral instructions about the YouTube videos used as learning media?	3
	16. Does the lecturer provide oral instructions about how to make videos for accomplishment of assignment?	
	17. Does the lecturer provide written instructions about how to make videos for accomplishment of assignment?	
Types of YouTube Videos used as learning media	19. What types of YouTube Videos are used as learning media in the e-Learning of ITL?	2
	20. Please arrange the following types of YouTube Videos from the type that is mostly used to the type that is least used.	
Preference for types of videos for learning media	21. From the types of YouTube Videos used in the e-Learning of ITL, which types facilitate you best in learning?	2

	22. Please choose the reasons why that type of YouTube videos facilitates you best.	
YouTube videos as learning media and students' learning motivations	23. Is the inclusion of YouTube videos as learning media in the e-Learning of ITL gives you motivation to study the learning contents?	
	24. Is the inclusion of YouTube videos as learning media in the e-Learning of ITL gives you motivation to study English?	5
	25. Is the inclusion of YouTube videos as learning media in the e-Learning of ITL give you motivation to join the discussion sessions in the e-Learning?	
	26. Is the inclusion of YouTube videos as learning media in the e-Learning of ITL gives you motivation to join the discussions in the synchronous meetings?	
	27. Is the possibility of YouTube videos as one of the choices of assignment form in ITL gives you motivation to do the assignments?	
Benefits of using YouTube videos as learning Media	28. Do the YouTube Videos included in the e-Learning of ITL help you practice your speaking skills?	14
	29. Do the YouTube Videos included in the e-Learning of ITL help you practice your writing skills?	
	30. Do the YouTube Videos included in the e-Learning of ITL help you practice your writing skills?	
	31. Do the YouTube Videos included in the e-Learning of ITL help you practice your reading skills?	
	32. Do the YouTube Videos included in the e-Learning of ITL help you improve your English grammar?	
	33. Do the YouTube Videos included in the e-Learning of ITL help you improve your English vocabulary?	
	34. Do the YouTube Videos included	

	in the e-Learning of ITL help you learn new idioms in English?	
	35. Do the YouTube Videos included in the e-learning of ITL help know cultural aspects of English-speaking people?	
	36. Does making assignments in the form of videos to be uploaded in YouTube make you more creative?	
	37. Does making assignments in the form of videos to be uploaded in YouTube make you more communicative?	
	38. Does making assignments in the form of videos to be uploaded in YouTube make you more collaborative?	
	39. Does making assignments in the form of videos to be uploaded in YouTube make you more critical?	
	40. Does making assignments in the form of videos to be uploaded in YouTube help you develop good characters?	
Accessing language material using YouTube Videos	41. How often do you access YouTube videos in learning a language?	10
	42. Do the lecturers give an instruction when accessing videos on YouTube?	
	43. Do you always have a good signal when accessing YouTube videos?	
	44. Have you ever lost the signal when accessing YouTube videos?	
	45. Does access to YouTube videos help you to understand the learning material?	
	46. Do the YouTube videos help your comprehension of language learning?	
	47. Do you understand how to access learning material through YouTube videos	

	48. Have you ever had difficulty in accessing videos on YouTube?	
	49. Do you feel unmotivated in learning when having difficulty accessing videos on YouTube?	
	50. Have you ever been saturated using YouTube videos for your online learning?	
Time	51. Does using YouTube video help you to have flexibility in language learning?	10
	52. Do the learning videos on YouTube help you to finish the learning material on time?	
	53. Do using YouTube videos make you submitting the assignment on time?	
	54. How long is the duration of each video on YouTube that you watch?	
	55. Do the videos on YouTube increase your ability in responding to the lecturers?	
	56. Do you feel bored with the duration of videos that are too long?	
	57. Do you ever skip some parts of the videos to save time?	
	58. Have you ever lacked time in watching videos on YouTube provided by lecturers?	
	59. How long does it take to watch all the videos on YouTube provided by lecturers in each online meeting?	
	60. Have you ever found it difficult to arrange time in learning through the videos on YouTube?	
Internet Quota and Connections	61. How is the internet connection when using YouTube videos in learning?	10
	62. Does your area have a good internet connection for online learning?	
	63. Have you limited access internet connection when using YouTube	

	videos?	
	64. Have you ever lost internet connection when using YouTube in online learning?	
	65. Does the poor internet connection make it difficult to comprehend learning material?	
	66. Does the low internet connection make you become a passive participant in learning using YouTube?	
	67. Does the use of YouTube make you need an extra internet quota in learning?	
	68. Does the use of YouTube become an obstacle in learning since it requires a lot of internet quota?	
	69. Do you ever feel burdened by using a lot of internet quota in accessing YouTube?	
	70. Do you ever have a problem in budgeting to buy a quota in using YouTube videos?	
Digital Device	71. Do you prepare some devices for conducting online learning?	6
	72. What kind of digital devices that you use in accessing videos on YouTube?	
	73. Do you able to utilize the device when learning using YouTube videos?	
	74. Have you been able to operate the device when learning using YouTube videos?	
	75. Have you ever received training in using digital devices for online learning?	
	76. Does your device ever error when learning using YouTube videos?	
	77. Have you ever told the lecturers about your difficulties in using YouTube videos?	8
	78. Do the lecturers give suggestions about your problem in using YouTube videos?	

Communicating with lecturers and peers	79. What kind of support does the lecturer provide when you face difficulties?	
	80. Have you ever tried to do discussions with peers when learning using YouTube videos?	
	81. Have you ever tried to do discussions with peers when learning using YouTube videos?	
	82. Do you feel peers could provide appropriate suggestions for your problem?	
	83. What kind of support do the peers provide when you face the challenges?	
	84. How to comprehend all the videos that you watch simultaneously?	
Managing time	85. Have you ever create a schedule when using YouTube videos for learning?	
	86. Does arranging a schedule using YouTube help you in learning?	
	87. Do you always follow the schedule that you have made?	
	88. Do you restrict the videos on YouTube that must you watch each day?	
Categorize the videos	89. Have you ever list the videos on YouTube that you have to watch each meeting?	3
	90. Do you categorize the type of YouTube that you must watch for learning?	
	91. Do you targeting to submit the assignments earlier when using YouTube videos for learning?	
Overcome technical	92. What will you do when having a bad internet connection when	2

issues in learning using YouTube videos	conducting online learning?	
	93. Have you ever asked for an internet hotspot when you have a poor internet connection?
