ACKNOWLEDGMENT

First of all, I would like to thank Almighty God for all of blessing I got in the process of this research and finish it with the title of “The Implementation of Google Classroom and the Anxiety in English Learning Faced by the Students in SMKN 1 Singaraja”. This research will not be completed without support from many people that always accompany me during the preparation, guidance, revision, examination and all of struggle that I have faced. For that, I dedicate my gratitude with respect to:

1. Putu Adi Krisna Juniarta, S.Pd., M.Pd. as the first supervisor who has given thought, insight, suggestion and support start from the day one until the day I finish my thesis.
2. Gede Mahendrayana, S.Pd., M.Pd. as the second supervisor who also provided many idea toward my research so I can finish my thesis on time.
3. All of lectures and staffs in English Language Education department and Faculty of Language and Arts in general who provide the best education for all of students.
4. I Putu Ratama, the English teacher who provided the information needed for my research about the school as well very warm regards during my research in SMKN 1 Singaraja.
5. All of students in SMKN 1 Singaraja that already participated and helped me in my research.
6. My parents who always support me both financially and moral support so I can finish my study well.

7. All of my colleague in BEM REMA UNDIKSHA, that always be the best support system and gave me a lot of experience during my time in college.
8. Made Vera Yanti, my senior in BEM REMA UNDIKSHA as well as the person who the thesis I used as a guidance for my own thesis.
9. Singaraja Keras crew, Angger Bagus Utama, Kadek Dedy Arjana, and Whikanta Bhasmanara, my squad who have been the best classmate even though with all of limitation and stupidity during our time in Undiksha.
10. All of my friends that I cannot mention one by one.
11. All of sources that I found both on the internet and in the library that I used as a foundation and make me easier to finish my study.
