STATEMENT LETTER

I hereby honestly state that this Post Graduate Thesis in Education that is written as partial requirement for the degree of Master in Education is my own work. All the information contained in this thesis which is derived from the work of others had been given an award by citing the name of the source authors correctly according to the academic norms, rules and ethics.

If it is discovered in the future that a portion or the whole thesis is not my original work or that there is a case of plagiarism, I willingly accept the consequence of my academic title withdrawal and other sanctions as postulated by Indonesian National Law.

ACKNOWLEDGEMENT

First of all, the writer would like to express her greatest gratitude to the Almighty God, Ida Shang Hyang Widhi Wasa, for His blessings so that this thesis entitled “The Effect of Educandy on Learning Motivation and Vocabulary Mastery of 5th Grade Elementary School Students in Cluster IV of Mengwi District in Academic Year 2021/2022” could finally be accomplished. This thesis was made to fulfill the requirement for the Master Degree in English Education.

The writer wants to express my sincere gratitude to

1. My principal supervisor Prof. Dr. Ni Made Ratminingsih, M.A and my second supervisor Made Hery Santosa, S.Pd., M.Pd., Ph.D, whose patience, expertise, encouragement and gentle guidance have kept me focused on the task at hand. I could not thank them enough for their dedication, consistency and commitment.
2. The Rector of the Ganesha University of Education for providing me with facilities and moral support before and after I finished my studies here.
3. The Director of the Post Graduate Study program, Ganesha University of Education for his support, motivation and encouragement so that I could keep going and finalize this thesis.
4. The English Education Program lectures who provided me with so much assistance and support during the study that it was impossible to name them all individually.
5. My parents “I Dewa Made Putra and Gusti Nyoman Dewi Artini” for sincere love, support and motivation while I continued my postgraduate

study until Thesis-writing. You two are the sun in my day and the moon in my night. I love you so much.

6. My husband “Si Ngurah Eka Juniawan” and My lovely son “Si Ngurah Ardika Shankara” for filling my Thesis-life with happiness.
7. My best friend “Ira Putri Audina” for always reminding me to do revision and cheer me up when I'm down.
8. SD No. 1 Lukluk and SD No. 3 Penarungan for permitting me to do research in these schools very welcome to get data to analyze in my Thesis.

The writer realizes that the thesis still has many shortcomings, despite the best efforts. It is solely due to the limited ability and error of the author. However, the writer hopes that this thesis will be helpful for researchers and others who want to research the use of technology and digital language games in improving English learning, especially for young learners.
