**ABSTRACT**

This study aims to explain and demonstrate the existence of character traits and social values of the short story Tuan Dewan by Ida Bagus Wayan Widiаса Keniten. This research uses a qualitative descriptive research method. The subject of this research is a collection of short stories Tuan Dewan by Ida Bagus Wayan Widiаса Keniten. The aim of this research is the character traits and social values. The method of data collection was carried out using a documentary research. Data collection tools using the data cards. Data analysis starts with data reduction, data exposure and data conclusion. Character's figure data is obtained that there are 17 characters in 5 short stories with 6 types of character traits (main characters, additional characters, developing characters, typical characters, protagonists, antagonists) where each character has several different characteristics. Data on social values were obtained in the form of social values of affection (love and affection, devotion, help, kinship, caring), social values of responsibility (feeling of acceptance and belonging, obligations), social values of harmony in the life (democracy).

**Keywords:** Character's Figure, Social Values, Short Story.
