Abstract

The study aims to describe how the implementation of EFL online learning with its problems and strategies at *SMP Mutiara Singaraja*. Researcher used descriptive qualitative research. There were a total of 29 participants, two of which were EFL teachers and the rest were 7th, 8th, and 9th grade students. Observation sheets, questionnaires, and interviews were used as data collection instruments. The results showed that the implementation of online learning at *SMP Mutiara Singaraja* has been conducted followed the Ministry of Education and Culture's principles. Even though online learning has been running for more than a year, there were problems faced by teachers such as internet problems, material explanation problems, and security system. In other hand, the problems related to personal, facilities, financial, and family supports experienced by the students. Fortunately, over the time EFL teachers and students had found their own strategies to deal with those problems.

Abstrak

Penelitian ini bertujuan untuk mendeskripsikan bagaimana pelaksanaan pembelajaran bahasa Inggris secara online beserta masalah dan strategi yang digunakan di SMP Mutiara Singaraja. Peneliti menggunakan penelitian kualitatif deskriptif. Ada total 29 partisipan, dua di antaranya adalah guru EFL dan sisanya siswa kelas 7, 8, dan 9. Lembar observasi, angket, dan wawancara digunakan peneliti sebagai instrumen pengumpulan data. Hasil penelitian menunjukkan bahwa pelaksanaan pembelajaran online di SMP Mutiara Singaraja telah dilakukan sesuai dengan prinsip-prinsip Kementerian Pendidikan dan Kebudayaan. Meskipun pembelajaran online telah berjalan lebih dari setahun, masih ada beberapa masalah yang dialami oleh guru yaitu masalah akses internet, masalah penjelasan materi, dan masalah keamanan sistem. Disisi lain, masalah terkait dengan pribadi, fasilitas, keuangan, dan dukungan keluarga dialami oleh siswa. Untungnya, seiring berjalannya waktu, guru dan siswa telah menemukan strategi mereka sendiri untuk mengatasi kesulitan tersebut.
