ABSTRACT

This study aims to determine ethnographic studies and the values of character education at the Putra Garuda Pencak Silat College in Anturan Village, Buleleng District, Buleleng Regency. The research method used is a qualitative method with an ethnographic approach. The subjects of this study were the Swordsman Council (Jro Guru Made Putra), the head of the Garuda Putra College (Made Swinaya), the Secretary of the Garuda Putra School (Made Supartika), the Coach Council (Putu Semadi). The data collection technique was carried out by triangulating data using 3 techniques, consisting of a participatory observation process, in-depth interviews (in-depth interviewing), and document studies. In the research instrument using guidelines from interviews. The data analysis technique includes the process of collecting data, reducing data, presenting data, and drawing conclusions. From the results of the research, it can be concluded that the Putra Garuda Pencak Silat College is one of the original pencak silat colleges from Buleleng Regency, Anturan Village, which is based on local wisdom which was founded by Jero Guru Made Putra on August 25, 2002 as well as registered and inaugurated by IPSI Buleleng. Character education at the Putra Garuda Pencak Silat college was carried out well based on the application during practice and outside of training activities from the Garuda Putra Pencak Silat college in Anturan Village, Buleleng District, Buleleng Regency.
