S1	<p style="text-align: center;">Fall Down</p> <p>I want to tell you about my fall. At the time, I was following a leisurely walk, in 6th grade, at my school. Before starting while matching, I felt bad. When I was about to take a stroll, the line remained neat. No one preceded it.</p> <p>While in the middle of a leisurely walk, <u>there's</u> a way down. I was warned to be careful and not too rad, but there were so many running and grabbing to make me fall and be left far behind the other students. ## Appendix 7. Interview Transcript

Note. R: Reseacher, S: Student

### S1

R kenapa kamu Menyusun kalimatnya seperti ini, “When I was about to take a leisurely walk, the line remained neat”, no one preceded it.”. kenapa engga seperti ini, “The line remained neat when I was about to take a leisurely walk, no one preceded it.”?

Grace Hmm, salah ya bu? Saya langsung translate soalnya.

R Terus yang kalimat ini, “It **hurts** so much that it was a little difficult to walk”. Kenapa kamu pakai “hurts”, kenapa engga hurt aja?

Grace Beda ya, Bu? Saya pikir pake hurts boleh-boleh aja.

R Untuk kalimat yang ini, “(...) Looks like this is the worst fall,” kenapa kamu menghilangkan ‘it’? disana seharusnya ada ‘it’ sebelum ‘looks’

Grace Engga boleh ya bu? Kan kalo di Bahasa Indonesia engga salah kalo engga lengkap. Yang penting ngerti ms.

### S2

R : kenapa kamu memilih kata ‘swim’ di kalimat itu, bukannya menggunakan ‘swam’?

Wednesday : Salah bu? Saya lupa bahwa itu harus menggunakan kata kerja 2.

R : Kenapa kamu menambahkan kata “**which is**” dalam kalimat “I will tell my experience at Toya devasya **which is** located in Kintamani Bangli.”?

Wednesday : Saya menerjemahkannya langsung bu, kayak ‘yang mana berlokasi di kintamani’

### S3

R : Mengapa Anda menghilangkan item 'in' yang seharusnya ada pada kalimat I immediately stayed there (...) a pretty luxurious hotel'?

Niki : Saya lupa buk, saya engga terlalu ngerti cara pake in, at bu.

R lalu, pada kalimat, 'when on the ship I **feel** very happy' mengapa kamu menggunakan feel? Mengapa bukan felt?

Niki : Kenapa harus pake felt bu? Feel ga boleh?

R : Mengapa Anda menghilangkan item 'dalam' yang seharusnya ada pada kalimat 'Saya langsung menginap di sana (...) hotel yang cukup mewah'?

Niki : Saya lupa buk, saya engga terlalu ngerti cara pake in, at bu.

#### S4

R : Mengapa Anda menghilangkan item 'on' yang seharusnya ada di kalimat '(...) july 2022'?

rose : Saya lupa bu pemakaian in,on,at jadi saya kosongin aja.

R : Mengapa kamu mengatur kata 'I and 9 of my friends' ke dalam susunan ini? kenapa kamu tidak menyusunnya seperti '9 of my friends and I'?

rose : Ada aturannya ya bu? Engga boleh I and 9 of my friends?

#### S5

R kenapa kata 'at' yang seharusnya ada di kalimat 'I arrived there (...) eleven o'clock' dihilangkan?

Aphrodite Oh, iya pakai 'at', saya lupa bu, saya kira tidak apa-apa kalau kita tidak menggunakan 'at'

R Kenapa kamu menyusun kalimatnya seperti ini (sambil menunjuk kalimat yang salah)? Kenapa 'I' lebih dulu dari 'keluargaku'?

Aphrodite kenapa bu? Apa itu salah?

R Ya itu salah, kamu harus mengutamakan 'keluargaku' dulu baru aku. Jadi, kita merujuk orang kedua untuk lebih sopan dalam bahasa Inggris.

Aphrodite oh maaf bu saya tidak tahu hehe, saya langsung terjemahkan tanpa berpikir ada aturan seperti itu

#### S6

R : Mengapa kamu menghilangkan item 'A' pada kalimat "...because it is the moment we rarely do, which is (...) big family camping"?

- Louis                    Saya lupa bu, di kata apa aja yang pake a gitu bu?
- R                            Di setiap sebelum kata benda ada article itu. Lalu, kenapa kamu menambahkan prase, '**when playing ball**' di kalimat 'After that we played ball, it was very exciting **when playing ball**'?
- Louis                    Kenapa emangnya bu?
- R                            Kurang efektif kalimatnya. Kan kamu sudah menyebutkan sebelumnya 'after that, we played ball'.
- Louis                    Oh, iya ya bu.
- S7**
- R                            : Mengapa Anda memilih kata 'arrive' daripada menggunakan kata 'arrived'?
- Miya                    : Saya pikir arrive sudah verb 2 bu.
- R                            : Terus, kenapa kamu memilih kata 'to' daripada menggunakan kata 'in' di kalimat "Vacationing **to** karimunjawa was very exciting."
- Miya                    : saya bingung penggunaannya bu, saya pikir itu cocok jadi saya pakai in aja.
- S8**
- R                            : Mengapa kamu menggunakan kata 'are' daripada menggunakan kata 'were' pada kalimat 'in 2021 my family and I **are** on vacation to Transmart Bali.'
- Lesley                    : Oh, iya bu, aduh saya lupa
- R                            : Tapi kamu tau itu salah?
- Lesley                    : Tau bu, were seharusnya ya?
- S9**
- R                            Mengapa kamu mengihilangkan kata 'on', yang seharusnya ada pada kalimat 'After we finished eating, we went back home to Denpasar, (...) the 7th day we went straight back to the village.'?
- Frag                        Pake 'on' bu ya?

R Iya, lalu kenapa kamu pakai 'is' alih-alih menggunakan kata 'was' di kalimat "Camping in Bedugul **is** very exciting and fun."?

Frag Saya bingung kapan menggunakan is kapan menggunakan was, soalnya baru sedikit diajarkan.

### S10

R Kenapa kamu menghilangkan article 'the' yang seharusnya ada pada kalimat 'I went straight to (...) kitchen.'?

John Saya tidak tau kebelum 'kitchen' harus ada 'the', Bu.

R Lalu, kenapa di sini pakai kata 'really'? mengapa tidak 'real' saja?

John Engga bisa pake 'really' ya bu? Tapi itu kan berarti asli / benar, sama aja bu.

### S11

R : Kenapa kamu menggunakan kata 'wake' alih-alih menggunakan kata woke pada kalimat, 'On Sunday morning I **wake** up early...'?

Chia : Saya pikir wake sudah v2 bu

R : Lalu kenapa kamu menghilangkan conjunction 'and' pada kalimat 'I said it was a bad day because I was so tired, (...) many activities were tiring that day.'

Chia : Tapi kalau diartikan sama aja bu, pakai atau tidak pakai sama saja artinya.

### S12

R : Kenapa kamu menambahkan item 'in' di kalimat 'we always eat together **in** there.'?

Jenny : Engga boleh bu? Kalo Bahasa indonesianya kan di sana bu, jadi in there bu.

R : Iya tidak boleh. There sudah berarti disana jadi engga perlu ditambahkan in there. Lalu, pada kalimat '...and **help** each other.' Kenapa kamu memakai kata help alih-alih menggunakan kata helped?

Jenny : Saya lupa mengganti ke verb 2 bu.

**S13**

R : pada kalimat '**I'm** glad I **can** feel it.', kenapa kamu menggunakan kata am dan can? Alih-alih menggunakan kata was dan could.

Lisa : Saya tidak tau dan lupa kalau bentuk lampau **am** itu **was** dan **can** itu **could** bu.

**S14**

R : Kenapa kamu menghilangkan pronoun '**me**' dan '**I**' yang seharusnya ada di kalimat 'Fortunately, there was a good person who helped (...) find my sandal and (...) immediately found it'?

celine : Saya soalnya terjemahin langsung dari Bahasa Indonesia bu. Jadi saya engga tau itu harus ada me sama I

**S15**

R : Kenapa kamu menggunakan kata '**go**' sama '**buy**' di kalimat "Every night I **go** to (...) food court and **buy** a lot of food."?

Oliv : Saya lupa verb 2 nya bu, jadi saya pakai itu aja

R : Lalu di kalimat itu, kenapa kamu menghilangkan article '**the**' yang seharusnya ada di kalimat itu?

Oliv : Saya pikir boleh kalo tidak ada '**the**' nya bu

**S16**

R : Kenapa kamu menghilangkan pronoun '**I**' dan verb '**went**' pada kalimat "after that, (...) (...) to the hotel again to take a rest.".

Lili : Saya menerjemahkannya dari 'setelah itu, ke hotel lagi untuk istirahat' bu. Jadi benar menurut saya bu.

**S17**

R : Kenapa kamu menambahkan kata '**to**' pada kalimat 'On the way **to** home,'?

Nana : Salah ya bu? Kan artinya dalam perjalanan ke rumah kalo di terjemahin.

**S18**

R : Kenapa kamu menggunakan kata 'get' dan 'go' alih-alih menggunakan 'got' dan 'went' pada kalimat, "Then I **get** closer to him we always **go** to (...) canteen together."

Gia : Salah ya bu? 'Got' sama 'went' itu verb 2 nya 'get' dan 'go' bu ya?

R : Iya, lalu kenapa kamu menghilangkan article, 'the' yang seharusnya ada di kalimat tersebut?

Gia : Saya tidak tahu kapan seharusnya menggunakan 'the' Bu.

**S19**

R : Kenapa kamu Menyusun kalimatnya 'During the trip **i and my friend** were not bored...'? kenapa tidak "my friend and I"?

Lili : bukannya sama aja bu?

R : Jelas berbeda, lalu kenapa kamu menambahkan kata 's' di akhir kata 'there' pada kalimat ini? (Sambil menunjuk kata there's). Apa karena menurutmu harus ada 's' seperti 'there is', disingkat 'there's'?

Lili : Iya bu. Saya lupa kalo ngga perlu isi 's'. Saya pikir semua 'there' harus berisi 's'.

**S20**

R : Kenapa kamu menggunakan 'remember' alih alih menggunakan 'remembered' pada kalimat "But, when I wanted to sleep, I **remember** there was some homeworks I had to do."

selena : Saya lupa verb 2 nya remember bu. Saya pikir tetap 'remember'

**S21**

R : Kenapa kamu menggunakan 'take' alih alih menggunakan 'took' pada kalimat "We **take** off."?

Cecil : Saya tidak paham kapan harus menggunakan verb 2 bu

R : Kenapa kamu menghilangkan conjunction 'and then' yang seharusnya ada pada kalimat, 'After we got there, we ate (...) we went to have fun at the mall and Suramadu.'

Cecil : Saya menerjemahkan langsung dari Bahasa Indonesia soalnya Bu

## S22

R : Kenapa kamu menggunakan 'make' alih alih menggunakan 'made' pada kalimat "that do not make me feel lonely, they **make** me smile every day?"

Ziga : oh iya, saya lupa pakai verb 2 bu.

R : lalu, Kenapa kamu menghilangkan to be 'were' yang seharusnya ada pada kalimat, 'they (...) always there for me.'?

Ziga : Saya lupa pakai to be bu. Jujur, penggunaan always there for me saya pikir sudah jelas bu.

## S23

R : Kenapa kamu menggunakan 'hold' alih alih menggunakan 'held' pada kalimat "I **hold** myself but then I got really curious."?

Yola : oh iya, saya lupa pakai verb 2 bu.

R : lalu, apa kamu juga lupa menggunakan verb 2 pada kata kerja dalam kalimat. 'There **is** a Box of wayang puppets.'?

Yola : Iya bu, hehe

## S24

R : Kenapa kamu menggunakan 'did a prayer' alih alih menggunakan 'prayed' pada kalimat "We **did a prayer** together at the bromo temple."?

lucy : Oh iya, prayer kan orang yang berdoa bu ya. Saya lupa bu, maaf.

R : lalu, Kenapa kamu menambahkan 'and' pada kalimat, '**and** in the evening, we made a tent in bromo to cook the food we brought.'?

lucy : saya terjemahin langsung emang ada 'and' nya bu. Ada yang salah bu?
