ACKNOWLEDGEMENT

First, the author would like to express the greatest gratitude to the Almighty God, Allah SWT, who has blessed the writer to complete a research paper entitled “Project-Based Learning with Technology in Teaching Content Subjects in STKIP Agama Hindu Singaraja: A Study of Need Analysis.”

The author also would like to thank the people who have provided assistance, advice, time, motivation, and support during the completion of this research paper. The author realizes that without their help, this paper would not have been able to be completed properly. The special thanks and deepest appreciation goes to:

1. Prof. Dr. Ni Nyoman Padmadewi, M.A., as the first supervisor, who had kindly taken the time and provided a lot of help regarding advice, motivation, and explanations during the completion of this thesis,
2. Kadek Sintya Dewi, S.Pd., M.Pd., as the second supervisor, as the second supervisor for the assistance in providing feedback, advice, and support, as well as guiding the author in completing the thesis,
3. All English Language Education lecturers who have guided the author with knowledge and experience over the years,
4. The coordinator of the English education study program at STKIP Agama Hindu Singaraja who had given permission and information to the writer in the process of collecting data,
5. All Content Subject lecturers of STKIP Agama Hindu Singaraja for the pleasure in conducting the study,

6. The author's beloved parents and sister for the endless prayer, love, and support,
7. The author's friend, Paramita, as the author's outpouring place about academics, and organization, it made the author learn a lot about socializing. Also, the other friends that the author cannot be mentioned one by one; Pejuang Skripsi, Astungkara 3,5 Tahun, Ulang Tahun, and Won Ngechat.

The author is fully aware that what is presented in this thesis is still far from perfect because of the limitations of the author's abilities. The author hopes this research paper can be beneficial for developing the English language teaching-learning process. The author appreciates any constructive criticism, suggestion, and feedback needed for this research paper's improvement.
