Letter of Statement

I hereby declare that this thesis, which becomes the requirement for obtaining a Master Degree from the Post-Graduate Program of Ganesha University of Education, was entirely the result of my own work.

There are certain parts of this thesis which I quoted from the work of other people. The sources have been written clearly in reference to the norms, rules, and ethics of scientific writing.

If in the future, it is found that all or part of this thesis is not the result of my own work or there is an existence of plagiarism in certain parts, I am willing to accept the sanctions in accordance with laws and regulations.

ACKNOWLEDGEMENTS

First of all, the writer would like to express her greatest gratitude to the Almighty God, Ida Sang Hyang Widhi Wasa, for His blessing so that this thesis entitled “The Contribution of Students’ Beliefs about Language Learning, Learning Styles, and Language Learning Strategies toward the English Achievement of the Eleventh Grade Students of State Senior High Schools in Singaraja” could be accomplished. This thesis was made to fulfill the requirements for the Master Degree in language education.

It was realized that besides hard working, the supports and assistances given to the writer had become the spirit to finish this thesis. Henceforth, the writer would like to deliver her greatest appreciations to all people who have given her great contributions and spirits, so that this thesis could come to its accomplishment.

The writer would like to express her sincere gratitude to her supervisors, Prof. Dr. Anak Agung Istri Ngurah Marhaeni, M.A. and Dr. Ni Made Ratminingsih, M.A., for their great ideas, advises, supports, guidance, corrections, as well as their encouragements, so that this thesis could come to its final form on time. Great thanks would also be expressed to Prof. Dr. I Nengah Suandi, M.Hum., Prof. Dr. I Nyoman Adi Jaya Putra, M.A., Dr. Luh Putu Artini, M.A., and all lecturers of English Education Study Program for their great helps and contributions for the study.

Moreover, the writer also would like to thank the principals and all EFL teachers of the State Senior High Schools in Singaraja, namely, SMA Negeri 1 Singaraja, SMA Negeri 2 Singaraja, SMA Negeri 3 Singaraja, and SMA Negeri 4 Singaraja, for the valuable time and helps given to the writer in conducting the study. Many thanks were also expressed to all students who have kindly become the subjects of this study.

The writer also would like to say ‘thank you very much’ to Drs. Nyoman Artha Widnyana, the director of PDAM Buleleng, for the great chance, time, and valuable supports given to the writer during the study. Many thanks were also expressed to all colleagues in PDAM Buleleng for the understanding and supports.

Special thanks were dedicated to her beloved parents and parents in law, who always pray the best for the writer, her dearest husband, Komang Agus Eka Cahyadi, S.T., for the priceless supports and the greatest love, and her big family, as well as all of her friends in English Education Study Program, Postgraduate Program of UNDIKSHA Singaraja 2010 for their supports, helps, critics, suggestions and motivations during the completion of this study. This thesis would have never been finished without their supports and helps.

It is realized that this thesis is far from being perfect, therefore any suggestions, criticisms, and corrections are welcome.
