**ABSTRAK**

Penelitian ini dilakukan dengan tujuan menguji pengaruh *earning per share* dan *dividend payout ratio* bagi harga saham mencakup dengan simultan dan parsial. Penelitian inipun mempergunakan rancangan studi kuantitatif kausal. Subjek pada kajian studi ini yakni perusahaan sub sektor makanan dan minuman yang listing di Bursa Efek Indonesia tahun 2019-2021 dengan objek yang digunakan diantaranya *earning per share* dan *dividend payout ratio*. Pengambilan sampel dilaksanakan melalui melalui teknik purposive sampling, dari 57 perusahaan terdapat 33 perusahaan yang tidak memenuhi kriteria. Maka, ada 24 perusahaan yang digunakan selaku sampel dalam kajian studi ini. Metode pengumpulan datanya dilaksanakan melalui penggunaan pencatatan dokumen selanjutnya dianalisis melalui penggunaan analisis regresi linier berganda. Hasil studi inipun membuktikan bahwasanya *earning per share* dan *dividend payout ratio* menyumbangkan pengaruh positif dan signifikan baik dengan simultan maupun parsial bagi harga saham.

Kata-kata kunci : *earning per share*, *dividend payout ratio*, harga saham

## **ABSTRACT**

*This research was conducted with the aim of testing the effect of earnings per share and dividend payout ratio on stock prices including simultaneous and partial. This research also uses a causal quantitative study design. The subjects in this study are food and beverage sub-sector companies listed on the Indonesia Stock Exchange for 2019-2021 with the objects used include earnings per share and dividend payout ratio. Sampling was carried out through a purposive sampling technique, out of 57 companies there were 33 companies that did not meet the criteria. Thus, there were 24 companies used as samples in this study. The data collection method was carried out through the use of document records and then analyzed through the use of multiple linear regression analysis. The results of this study also prove that earnings per share and dividend payout ratio contribute a positive and significant effect both simultaneously and partially on stock prices.*

*Keywords: earnings per share, dividend payout ratio, stock price*
