ACKNOWLEDGEMENT

First and foremost, praises and thanks are devoted to the God Almighty, for the wisdom that He bestowed upon me, the strength, peace of mind and good health in exploring things, for the guidance in helping surpass all the trials that I encountered and for giving determination to pursue my study and to make this study possible.

I would like to express the deepest appreciation to Prof. Dr. Ni Nyoman Padmadewi, M.A., The Head of English Education Department of Post Graduate Program, Universitas Pendidikan Ganesha, for her help, support, motivation and encouragement so that I could finish this thesis.

I convey my deep and sincere gratitude to my research supervisors, Prof. Dr. I Nyoman Adi Jaya, M.A. and Drs. I Wayan Suarnajaya, M.A., Ph.D. for giving me the opportunity to do the research, imparting their knowledge and expertise and also for their support in completing this endeavor. Without their guidance and persistent help, this thesis would not have been possible.

I would like to extend my thanks to the lecturers and staff of the English Language Education Department of Post Graduate Program, Universitas Pendidikan Ganesha.

I am highly indebted to the Principal of SMPN 2 Bangli for the permission to conduct the research, the teacher colleagues and the students for their kind cooperation, help and support in completing this research.

I am extremely grateful to my parents for their endless love, prayers, caring and sacrifices for educating and preparing me for my future. I am very much thankful to my beloved and supportive husband, I Wayan Abyong, and my loveable children, Sachie and Kenzie, who served as my inspiration to pursue this undertaking. Also, I express my thanks to my adorable sisters for their support and prayers.

My special thanks goes to my best friends, Sang Ayu Ari Purniawati and Kadek Susnawati for their moral support, help, encouragement and beautiful friendship during the study and throughout the thesis work.

My heartfelt gratitude and appreciation also go to one and all who, directly and indirectly, have lent their helping hand for making this thesis be finally completed.
