Appendix 2.

Table Identification for The Sources of Student's Errors

No.	Sources of Errors	Characteristics
1.	Intralingua transfer	a. Overgeneralization (Students cannot use the rule of the target language correctly) b. Ignorance of rule restriction (Students are unable to apply a rule to the given situation) c. Incomplete application of the rule (Students are unable to presenting certain essential elements within a word, phrase, or sentence) d. False concept hypothesis (Students misinterpret the rule of the target language, resulting in the misuse or misinformation of grammatical elements)
2.	Interlingua transfer	Students translate their mother tongue (first language) into English.
3.	Context of learning	Students have misconceptions about the target language
4.	Communication strategies	Students have improper style or strategy in delivering messages

Adopted from Brown (2000)
