MOTTO

“Every Little Progress Matters.”

ACKNOWLEDGEMENT

The writer would like to offer the deepest and most profound gratitude to Allah SWT, the source of all wisdom, strength, and inspiration. In moments of doubt and challenge, it is through faith and divine guidance that the writer found the resilience to accomplish this research entitled “Investigating Teachers’ and Students’ Perception toward Artificial Intelligence-Based Applications at SMA Negeri 4 Singaraja in the English Post-Pandemic Learning”. The writer is humbled by the blessings that have allowed her to reach this point and recognize that without Allah’s grace, this achievement would not have been possible.

In conducting this research, the writer has received many valuable and meaningful contributions, suggestions, and guidance from others. Therefore, the writer would also like to express the deepest gratitude and appreciation to the following individuals who have played a crucial role in the completion of this thesis:

1. Made Hery Santosa, S.Pd., M.Pd., Ph.D. as the first advisor who always provides suggestions, ideas, guidance, and invaluable insights throughout the research process.
2. A.A. Gede Yudha Paramartha, S.Pd., M.Pd as the second advisor who always provides suggestions, ideas, guidance, and invaluable insights throughout the research process.
3. Prof. Dr. I Nyoman Adi Jaya Putra, M.A. as the writer’s examiner of the examination, which inspired the author to conduct research in writing aspects, and also for the critical feedback given in the examination.
4. Prof. Dra. Luh Putu Artini, M.A., Ph.D as the writer’s academic advisor for her unwavering guidance and advice during lectures.
5. The writer’s beloved parents, Agung Iskandar Zulkarnaen, Irma Satya Ningrum, I Wayan Ardi Mertana, and Wahyuningsih for their boundless love, encouragement, and understanding during the challenging and demanding phases of my academic pursuit. The writer’s beloved sisters Annisa Rizky

Zulkarnaen, Florentya Rosabel, and Reina Aisyah Zulkarnaen for their love, care, and support.

6. Dearest friends who are also the writer's fellow researchers, Eny Pricilia Yulanda and Yohana Nova Enzelina for moral support, encouragement, and occasional moments of respite during this journey. Their diverse perspectives enriched this study.
7. All of the teachers and students of SMA Negeri 4 Singaraja for the time and will to help the writer.
8. Heartfelt appreciation to the writer's dearest friends, Ismi Khairunnisa Oktafiani, A.A. Istri Pebriyanti, Safira Ratya Priccilia, Delia Dini Indah Wulandari, Adelia Dini Indah Wulandari, and Hanifah Rahmadhani who have been an essential source of support and encouragement throughout the writer's academic journey. The friendship has added a dimension of joy and balance to the writer's life, providing solace during challenging times and sharing in the celebrations of achievement.
9. And all the people who got involved and the writer cannot mention them one by one.

This research is still far away from perfection. Therefore, the writer needs criticism, and suggestions are highly appreciated and expected for this research.
