L	:	alright ladies and gentlemen welcome back to streaming Irwandika. Udah gila belum punya opening untuk apa itu Live streaming ini yaa nanti akan kita pikirkan seperti apa openingnya. Om Swastyastu. Yiiiiiaaat pemirsa jumpa lagi bersama mister Irwan hari ini kita lanjutkan kelas discod kedua. Virus Corona? apa itu virus corona tidak mampu menghentikan semangat murid-murid mister yang pengen belajar bahasa inggris dan di streaming kali ini kita akan melakukan streaming dengan materi apa ini Becoming master of Ceremony yaa tanpa basa basi lagi kita akan mulai saja aduh bajunya sorry nih agak transparan ini tapi ndak papa adooohh gpp yaa udah terlanjur pakai baju ini.	1
L	:	Okay, Good Morning Everyone Hello Good Morning Everyone	2
S	:	Good Morning Mr.	3
L	:	How are you guys, we are already streaming yeeah, its already live	4
S	:	Ya ya so	5
L	:	So Now, let start the class, before we start the class, I would like to check your voice. Hey have you filled attendance list?	6
S	:	Halo Mr	7
S	:	Absent the students	8
L	:	Itu pasti deket-deketan tuh, oke gpp	9
L	:	Now let's start the class, what do you think about corona virus?	10
S	:	Dangerous	11
L	:	That's it? Dangerous, tell me more, what do you think about corona virus guys? Speak one by one	12
S	:	From the top	13
L	:	No, it's up to you yaa. if you want to speak – speak and the rest diem dengerin temennya dulu, Manu you can speak if you want	14
S	:	Corona virus is from china now is covid 19 and also already in Indonesia, That's it. We need to keep clean and keep healthy to avoid it.	15
L	:	okay so ya we need to keep clean and healthy to avoid this virus. What do you think about the other students? Is it good, bad or what you can learn from this virus or this phenomenon	16
S	:	I think we must be aware with our self because hmmmm, corona virus is still in Indonesia	17
S	:	we need to aware because corona virus is dangerous, do you think it's really dangerous or just dangerous or we just need to be careful, what do you think?	18

S	:	I think from the record mostly the people who got the corona virus is old people, so I guess we must stay healthy and aware when we got the people something we should go and check the doctor, So the doctor can diagnoses us and take the “apa namanya ya?” aaa penyembuhan untuk kita, healing for us.	19
L	:	Ok interesting yaaa.. what about the class the day because some of campus or school don't let them students to go to school and they prefer to study at home, what do you think about this? do you agree or its better we keep going to school or campus, is it good to studying at home or we should go to campus.	20
S	:	yes I think it's good we study at home because	21
S	:	Personally I don't agree because is not really effective when you are study at home because some of us do not have good connection and also is not really effective you know for every subject is not really effective just for some subject that we get like this class it is effective and I like it but for the others I think is not really effective. So, we don't need still to go to campus to learn and study.	22
L	:	that was very good point yaa maybe for the subject that needs to have a practice on the spot or need to work in the labs so we cannot do online class like this, I like your point, we need to think about this but now because the government already ask the people to studying at home so we will study at home for some couple of time maybe for a week	23
L	:	that's right, to avoid the virus spread	24
L	:	Okay, thank you for your, what is it “opening your mind” and also speak up about this virus well is not our topic for today. Okay, so our topic today is becoming a master of ceremony. Do you know what is master ceremony guys? What do you know?	25
S	:	MC	26
L	:	Okay MC, how many you have been an MC before? Is there anyone here as become MC?	27
S	:	Me	28
L	:	Okay mita, how many years have you been an MC?	29
S	:	-----	30
L	:	Mita can you share your friends; how does it feel becoming MC.	31
S	:	first time I aaa eh, first time I present to be an MC very “apa yaa. malu gitu lo” shy and grogi, but when I practice more more more and more when I expert about the matery l that's just fun for me. I don't know maybe I like it or I think everyone can be an MC when they are practice more.	32
L	:	Okay ya. because you have experience this, this class would be easy for you ya and so you can share a lot to your friends ya especially because you have done a lot of practice become MC. Alright what do we need to prepare before we become MC?	33
S	:	Mentality	34
L	:	Good Mental yaa, what else?	35
S	:	the material of the events is very important, so we know the event exactly	36

L	:	so, we need to know the materials, okay So, have you been English or Indonesian MC before?	37
L	:	Mita maybe can you show us how to open an event as an MC in English Language.	38
S	:	I never been an English MC before but I'll try it.	39
L	:	ooh wow this is so interesting Okay. Okay the time is yours	40
S	:	This is formal or informal	41
L	:	Okay, what do you think? As you wish	42
S	:	Okay Maybe, I'll try	43
L	:	alright 1,2,3 and go	44
S	:	Good morning ladies and gentlemen, thank you so much for attending the event of hmm apa ya event nya ya art and culture program 2020.	45
L	:	Bagus kan	46
S	:	I'm mita, I'll be the master of ceremony for this event, apaya lagi	47
L	:	Yeeeeeeey	48
S	:	ya kurang lebih kalau bukanya kaya gitu Mr.	49
L	:	Okay thank you mita, it was wonderful so you just need to have the materials just like you said before because you don't know what is this event	50
S	:	yaaa (laughing)	51
L	:	okay. what about the others, maybe della, ayu paramita, ayu widiani, do you have experience as MC	52
S	:	Im not experience sir	53
L	:	what about Nila, Ratih, rico, yuni the others or maybe manu have you been MC before?	54
S	:	hmmm not yet maybe someday	55
L	:	alright talking about becoming MC this is my story, when I was second semester when I'm studying in Undiksha and the senior ask me to become an MC at that time I was so nervous because I don't know what to say I've never experience as MC before but because they think that aaaa Irwandikan you can do this yaa because you are so funny you are so comfident in front of people I think you can be MC. No kak I've never experience become MC, no need to worry becoming MC is easy, Really? Yaaaa. you just need to hold this card and read the rundown. Can you image the rundown? Kertas yang sering di bawa MC itu.	56
L	:	that's it. So, becoming MC we just need hmm I think yaa this is my personal experience so I think we just need to really understand what will happen or what is going on? Who will perform? Based on the card that is given yaaa jadi siapa sponsornya, siapa yang akan datang, siapa yang akan membuka acara – menutup that's what we really to know. That's why mita said we need to have a preparation before we becoming MC. Jadi waktu Mr. jadi MC tu Mr. cuman di kasi kartu I don't have time to prepare myself yaa, that morning, at that time he was directly give me the card and I try to read baca sebentar aja and then udah ngerti gitu aja kan ada angkanya 1 2 3 4 Irwandika nanti kamu baca ini ini ini ini yaa, ini temen MC mu at that time	57

		I have a partner my partner was woman gak inget kak siapa itu namanya. Anyway, its easy karena ada scriptnya jadi kalian ga usah ragu yaa like Mita said before everyone can be MC. So today our goals to make you become MC, kalau yang sekarang ini sih MC formal dulu ya nanti informalnya gampang lah kita bisa latih kalau masih ada waktu kita akan latih hari ini If not maybe another time, okay so First this is the class activities if you open the youtube and you open the live streaming you may see the greetings first, we already have the greetings and then check the attendance list udah, brainstorming we already talk about corona virus and also story becoming MC udah and now start the material. Okay So why do we learn this topic becoming MC, what do you think guys? Biar kenapa kita belajar MC ini, menurut kalian, manfaat apa yang di peroleh like that gimana?	
S	:	in my opinion we are truly learning public speaking not truly becoming MC because in this skill you will misery this skill of communication public speaking skills. we will be able to speak very well in front of public or many people. Not just becoming an MC. Because in real life we do really need have	58
S	:	For me is to boost our confident because that was very important when we are speaking everywhere	59
L	:	ehem okay, and then	60
L	:	yaa basically why we do learn about this yaaa. thank you about manu thank you about mita you are being so active in this classroom. So, this is so part of public speaking especially in master of ceremony of MC Mita also you have a good point. So here why do we learn this topic because first we want to be confident in public speaking by learning this material hopefully everyone has a basic understanding to speak in front of public especially as a master of ceremony or MC and then of course the next thing to get income yaa biar dapet duit so you can ask mita how much money do you get for becoming MC mita? Minimum	61
S	:	minimum last year, minimum itu four hundred thousand rupiah becoming an MC but right now.	62
L	:	How much right now? Four million	63
S	:	I wish	64
L	:	okey yaa four million starting from four hundred thousand okay, so you can get money	65
S	:	Yess	66
L	:	and also, the next thing why do we learn about this topic to get more opportunities atau membuka peluang-peluang kesempatan yang lain. Is that true Mita?	67
S	:	yes, that's true	68
L	:	Yaa jadi dengan mempelajari topic ini, jadi kalian bisa menjadi MC mendapatkan uang atau penghasilan dari pekerjaan ini dan membuka peluang – peluang yang lain because you will meet a lot of people, important people yaa kenalan sama pejabat – pejabat atau siapa yang akan membuka acara kaya gitu jadi you will have what is it you can broden your network untuk	69

		memperluas koneksi kalian of course itu akan membuat karir kalian menjadi lebih baik gitu.	
L	:	Okay Introduction of Master of Ceremony yang disingkat MC It's the official house of the ceremony event, conference or similar performance. hmmm ini pokoknya MC itu yang kalian tau lah yaa yang memimpin jalannya acara dari pembukaan inti acara dan penutup. Okay how to be a Kalau mau jadi good MC? So, what do you think?	70
L	:	Kalau mau jadi good MC yang pertama itu kita harus ngapain?	71
S	:	be confident	72
S	:	prepare the materials and our performance	73
L	:	okay thank you, prepare the materials and also what else. apalagi yang lainnya kira-kira kalau mau jadi MC gimana ya, MC ini bisa cewek dan cowok ya jadi kalau cowok jangan takut yaa. ayok yang cowok ngomong juga.	74
S	:	check the microphone	75
L	:	of course, ya it's really important we need to check the microphones, make sure everything is clear and the microphone is on	76
L	:	always have coordination with the comate (komite)	77
L	:	yaaa always have a good coordination and communication with the (komite), okay So. I would to add some more, first you need to know your responsibility jadi kalian harus tahu, tugas –tugas kalian itu apa saja apakah itu membuka, memanggil tamu atau hmmm acara setelah itu ini acara setelah itu ini so you need to know your responsibility like checking the microphone, checking the seat dimana nanti duduk kaya gitu, do your research its means, kayanya harus di copy dulu ini, wait wait wait.	78
L	:	Okay Mr. sudah upload materinya di kolom general check yaa how to be a good MC jadi kalian bisa liat disana, Do your research, stay organized itu maksudnya kalian harus tetep terstruktur yaa do not change the plan yaa the schedule jam sekian harus ini ya harus ini kayak gitu jadi kalian harus stay organized unless kalau ada perubahan yang sangat mengharuskan kalian untuk mengganti acara kalian bisa ganti acara of course with the permission	79
S	:	I see your live streaming on YouTube Mister	80
L	:	Okay so can see my slide yaa because some of you are not watching the YouTube, I'm afraid they cannot see this slide.	81
L	:	Okay on the next slide, so here I already make the power point. Remain calm yaa... yaa kalian cobak check di kolom general check.	82
L	:	Okay remain calm continuing on if you mess up jadi misalnya kalo kalian melakukan kesalahan if you made a mistake don't need to worry keep going yaa jadi kayak Mr. live streaming begini walaupun ada kesalahan udah maju aja trobos yaa sama juga when you are becoming MC do not thing about Oh my God I've been a mistake, ooh this is wrong, ooh this is a mistake, ooh this is not good, okay do not think about it just go on yaak Maju aja.	83

L	: So finding a spot to look at while talking... pencarian nya dimana ya? Okay ini lebih besar yaa. Okay remain Calm. finding a spot to look at while talking jadi ketika kalian jadi MC you need to see the audience you need to see you need to talk eyes to eyes jadi harus ngomong dari mata ke mata, kaya gini ni jadi kalian harus ngomong dari mata ke mata but sometimes not people can speak eye to eye because sometimes it makes them feel nervous jadi kalau kalian belum bisa ngomong dari mata ke mata to deliver the message kalian bisa cari mata-mata yang friendly.. you know mata2 friendly? Mata yang engga terlalu serem.. jadi kalian lihat matanya kalian ngomong jadi kalian lihat audience nya kalau ada mata-mata yang oo ini kayanya ni matanya ga begitu sere mini kalian lihat dia tatap matanya sambil kalian ngomong habis itu jalankan lagi pandangan kalian do not only look at the one point yaa jadi jangan ngeliat kedepan aja gitu jadi kalian harus membagi arah pandangan kalian itu yaa kalian lihat ke kiri dulu, habis tu liat kedepan, atau lurus di depan kaliandan liat di sisi kanan kalian gitu jadi kalian harus membagi atensi kalian jadi jangan hanya melihat satu sisi jadi kalau kalian melihat dari satu sisi nanti kalian di kira suka lagi sama yang disisi kiri itu.	84
L	: And then also next slowing down with your words itu maksudnya when you are to speaking with the audience make sure you are not speaking too fast, if you are speaking too fast it will show that you are in hurry, why are you in hurry? because you are nervous ya jadi akan kelihatan nervous kalian kalau kalian itu buru-buru gininya apa tuh ngomongnya jadi ngomongnyapelan- pelan aja. Ladies and gentlemen welcome to Ananta Widya Business School in this occasion okay sambil di bagi pandangannya santai tenang yaa kalau kalian buru-buru nanti kalian salah ngomong apalagi ini ngomong bahasa inggris ketahuan kalian salah atau grogi, so do not mister harus minum ini. jadi jangan buru-buru ngomongnya apalagi MC itu baca teks lo jadi tenang.	85
L	: Prepare opening the event continuing if you mess up oh iniudah tadi. Star the event, stay focus, be prepare for anything and appreciation, yaa jangan lupa kalian focus di rundown kalau memang kegiatannya A A B B C C D D sampai selesai. Be prepare for anything it means that you need to prepare what happen whatever happens in the events misalnya ada misalnya ada yang cancel kalia n harus siap juga misalnya ada yang di tambahin acaranya just be prepared okay. And then appreciation don't forget to appreciate for those who already performed ini misalnya ada performance dari apa kalau kalian dari coach wira kan biasanya ada apa namanya itu penampilan kayak yang kemarin tuh ada theatre yaa jangan lupa di apresiasi. Thank you for the guest speaker atau thank you for the all performance that already performance hmm apa misalnya Amazing performance or amazing theatre kayak gitu. Nomer empat close the event,	86

		thank to everyone gitu, so the questions is seperti apa bahasa inggrisnya.	
L	:	Okay so you don't need to worry, I already make a very simple speech dalam bahasa inggris then you can practice yaa mulai dari preparation and also waktu di tengah-tengah acara tu kan yaa kaya apa and also closing as you know hmm MC itu ada pembukaan inti dan penutup. Itu yang umumnya yaa. Okay question dah dulu, if you have any question please let me know about how to be a good MC.	87
L	:	Aduuh kecil banget, No questions kita bisa lanjutin ke example?	88
S	:	Go Ahead	89
L	:	Om swastyastu Rico Satria, iiihh ihhh ihhh ko kehapus Okay I'm going to practice opening for MC okay. Okay tenang I know what event it is. Ganti – ganti dulu. Okay I'm ready!	90

L	:	Have you seen the difference? Okay yang mana lebih bagus, yang pertama atau yang kedua?	160
S	:	Yang kedua	161
L	:	Siapa yang memfavorit kan yang pertama Nggak ada ya jadi ya kalau yang profesional untuk acara internasional itu yang kedua itu bagus banget dia kemarin sebagai contoh banyak banget itu sebagai contoh berjalan lancar karena jadi MC itu karir yang bagus ya they will always need MC kalau emang disana skillnya go for it kita lanjutin do you have any questions? Now's let continue to the main agenda, a lecture from COACH Irwan please welcome. (Finished) Thank you very much to COACH Wira for the knowledge about Digital Marketing may it would be useful in our life, COACH Wira please say on the stage because there will be a souvenir from our institution. The souvenir will be given by Mr. Dewa.	173
L	:	Yeey itu bisa ya, everyone can be an MC. Okay kita langsung ke closing ya biar cepet. Ela its okay ya kalau memang lagi ada masalah di microphonenya its okay. Kasian ela rusak microphonenya. Kekecilan ya gambarnya mungkin mereka gini ya litany, ya gak apa ya. So this is the closing example okay im going to read this. The last agenda as the final agenda is closing and taking picture together. Finally, from the deepest of my heart I do apologize if there were mistakes. Thank you very much for your kind attention and to all participants please don't leave the room. We will take a picture first. Ada salah sebenarnya (laughing) okay gimana coba who wants to try with the closing example.	174
S	:	Okay saya mau coba	175
L	:	Just try come on.	176
S	:	The last agenda as the final agenda is closing and taking picture together. Finally, from the deepest of my heart I do apologize if there were mistakes. Thank you very much for your kind attention and to all participants please don't leave the room. We will take a picture first.	177
L	:	Yeey one more students please. Habis ini another activity. Oke ayu widiani lets go.	178
S	:	The last agenda as the final agenda is closing and taking picture together. Finally, from the deepest of my heart I do apologize if there were mistakes. Thank you very much for your kind attention and to all participants please don't leave the room. We will take a picture first.	179
L	:	Habis ini akan ada peer assessment , Intan kamu ye ye ye ga dapat baca dari tadi.	180
S	:	Yeey tadi tu saya.	181
L	:	Okay ya habis ini tu kita ada pelatihan habis itu tugas ya Jadi untuk yang mister panggil namanya if I call your name coba masuk ke evaluation room ya. Mita evaluation room, Manu	182

		evaluation room, Dela evaluation room, Rico evaluation room, Halo kalian berempat	
S	:	Hallo yes hello	183
L	:	setelah ini akan ada penilaian jadi kita masih ada waktu 30menit there will be assessment atau penilaian dari latihan kita hari ini tentang MC ini. So, I want you to learn about the example jadi mister mau kalian pelajarin dari openingnya seperti apa kemudian intinya Seperti apa dan bentuknya seperti apa. So, I want you to practice ya soalnya praktis latihan habis itu nanti akan ada penilaian okay gimana kira-kira jelas? Is that clear?	184
S	:	Clear mister, bagaimana dengan contohnya?	185
L	:	contohnya sama ganti boleh-boleh acaranya boleh nggak persiapan membuka acara berita atau memberikan materi boleh	186
S	:	Berarti 1 orang tuh dari pembukaan sampai penutup ya mister?	187
L	:	Iya bener dari pembuka isi penutup jadi kalian harus pelajari itu karena habis ini akan ada penilaian tentang speaking, jadi kalau speaking kalian dan bacanya lancar seperti MC beneran hayati okay?	188
S	:	okay mister	189
L	:	Yap okay mister tinggal dulu nanti mister kesini lagi. Okay everyone for those in this evaluation room, do you hear me?	190
S	:	Yes, Cleary mister	191
L	:	So, you are going to assessor atau tim penilai, pernah jadi penilai atau assessor?	192
S	:	Never	193
L	:	Okay mister sudah kirim formatnya di kolom sharing, di kolom sharing I already sharing scoring rubric for speaking pronunciation. jadi hari ini kalian akan menjadi tim nilai udah pronunciation teman-temannya ya kalau masih ada masalah ngucapin kata atau kalimat itu kalian tinggal cek di sana Jadi caranya menilai. This is how you assess your friends kalau lima berarti easy to understand has native speaker accent dan keren itu skornya 5 kalau nomor 4 kalau udah lihat belum disharing itu?	194
S	:	Sudah	195
L	:	Jadi udah kedengeran bagus dan lancar udah kasi nilai 4 kalau yang nomor 5 itu udah kedengeran seperti bule baru nilainya 5 udah lancar udah bagus sounds good dan yang nomor 3 itu kalau ada salah – salah dikit dan membuat kalian mendengar apa apa apa kaya gitu mendengarnya kasi nilai 3 aja. Kalau nomor 2 kalau ada pengucapan yang susah kalian dengar kalian kasi nilai 2 aja kalau salah-salah banget dan pengucapannya belum benar kalian kasi nilai 1 aja ya. So that's all you need to do to assess your friend so you need to report to me ya. Mister ini tadi dapet nilai sekian karena apa dapet nilai segini karena salah penngucapan di kalimat ini so you need to prepare kertas jadi kalian harus prepare kertas untuk mencatat namanya siapa yang sudah. For this example, Della are you ready? Mana sih della ini. Mita?	196
S	:	Yes I am	197

L	:	Manu?	198
S	:	Hello	199
S	:	Ada kok mister udah bangun	200
L	:	Ooh iya iya oke oke. Jadi untuk scoring rubric udah jelas kan ya?	201
S	:	Sampun	202
L	:	Sip sip sip jadi nanti kalian tinggal siapin kertas atau whatever tulis nama temennya habis itu dengerin dia praktek habis itu kasi nilai 1,2,3,4,5. Jadi sebelum kalian menjadi evaluator, I want you to test you. Who wants to be the first?	203
S	:	What should we be talking about?	204
L	:	So, you should performance becoming a master of ceremony like an example that I given to you. Contoh yang tadi itu.	205
S	:	From the opening to closing?	206
L	:	Yes, opening core closing all of them tiga bagian itu. If you want to change the script you may do that ganti aja but if you want to use this script pake script ini gpp yang penting nanti waktu kalian perform itu excellent yak karena kalian yang mister liat aktif di kelas dan hmm apa ya udah bisa menilai temennya jadi kalian harus bagus dulu okay.. I'll give you time 5 menit cukup	207
S	:	Yes	208
L	:	5 minutes from now ya I'll give you prepare yourself and then I call your name you need to be ready performance to be MC. See you in 5 minutes	209
S	:	I want to try	210
L	:	You may start now	211
