STATEMENT LETTER

I hereby declare that this Post Graduate Thesis in Education that is written as a partial requirement for the degree of Master in Education is my own work. The sources of all the information in this thesis that came from other people's work have been correctly referenced following academic norms, rules, and ethics.

If it is discovered in the future that a portion or the whole thesis is not my original work or that there is a case of plagiarism, I am willing to accept the consequence of my academic title withdrawal and other sanctions as postulated by Indonesian National Law.

Statement by,

(Ni Komang Punia Antari)

ACKNOWLEDGEMENT

First of all, the researcher would like to express the greatest gratitude to God for the blessing so this study, “The Relationship Between Tourism Students’ Attitudes, Satisfaction, and Learning Achievement in The English Blended Learning Environment” could be accomplished in time.

This thesis was written to fulfill one of the requirements for obtaining a Master’s Degree in the Postgraduate Program at Ganesha University of Education. Completing this thesis has received a lot of help from various parties. The researcher would like to thank and express her gratitude and appreciation to the following parties:

1. Prof. Dr. Ni Made Ratminingsih, M. A., as supervisor I, who has patiently guided, advised, and motivated the researcher through several challenges that arose throughout the study and the completion of this thesis;
2. Made Hery Santosa, M.Pd., Ph.D., as supervisor II and academic supervisor, who from the beginning of the lecture has provided motivation, support, and become the biggest source of inspiration and hope for researchers to carry out and complete this research so that this thesis can be completed as expected;
3. Prof. Dra. Luh Putu Artini, M.A., Prof. Dr. Ni Komang Arie Suwastini, S.Pd., M.Hum., and Dr. Ni Luh Eka Sulistia Dewi, S.Pd. M.Pd, as the examiners who have provided many useful inputs for the completion of this thesis;
4. The Director and Management team of Elizabeth International Hotel and Business School, who have given permission and help to the researcher in collecting the data for this study;
5. The students of Elizabeth International Hotel and Business School especially Gianyar Branch in the academic year 2021/2022 who have been heavily involved as research subjects;
6. The coordinator of the English Language Education study program, the director, lecturers, and staff of the postgraduate program at Undiksha who have helped and motivated the researcher during the preparation of this thesis;

7. Rector of Ganesha University of Education, who has provided moral assistance and facilitated the researcher's various interests in completing this thesis;
8. Beloved parents (I Ketut Puja Antara and Ni Wayan Suni, parents-in-law (I Made Asa and Anak Agung Oka Ari), and all family members who have given mental support during the completion of this thesis;
9. Precious little family, the husband I Kadek Agus Cakra Wibawa, and the little boy I Putu Ganendra Putra Wibawa who have given the researcher indescribable strength, love, and support from the beginning of her study until completing this thesis;
10. Dearest friends in the English education study program who have provided unconditional love, support, motivation, affection, and encouragement so that this research can be completed.

Finally, the researcher deeply realizes that this thesis is certainly far from perfect. However, its presence in the constellation of academic society will add to the treasury of knowledge in the development of science. Hopefully, this thesis will be useful for the academic community, especially those who claim to be under the auspices of the banner of education.
