## MOTTO

**“IT DOES NOT MATTER HOW SLOWLY YOU GO, NO  
MATTER HOW STUCK YOU FEEL, NO MATTER HOW  
MANY DAYS YOU HAVE SPENT CRYING, NO MATTER  
HOW HOPELESS AND DEPRESSED YOU FEEL AND NO  
MATTER HOW MANY DAYS YOU HAVE SPENT WISHING  
THINGS, AS LONG AS YOU DO NOT STOP  
I PROMISE YOU WON'T FEEL THIS WAY FOREVER”**

## ACKNOWLEDGMENT

With the most incredible gratitude for God's blessing, the writer can finish the thesis entitled "The Implementation of differentiated instruction integrated with technology in English Classroom Activities at SMK NEGERI 2 SINGARAJA" successfully. The thesis is submitted to the Language and Art Faculty as part of the requirements to earn the Bachelor of Education degree at Ganesha University of Education. My sincere gratitude and appreciation for the support, guidance, advice, help, and encouragement of the following people who helped me finishing the thesis. I extend my deepest gratitude to the numerous individuals and organizations whose support and contributions have been pivotal in completing this extensive research endeavor. Their collective efforts have enriched the quality and depth of this study, and I am sincerely thankful for their involvement.

1. I am profoundly indebted to my academic supervisors, Putu Adi Krisna Juniarta, S.Pd., M.Pd. for the guidance, support, encouragement, and feedback through the thesis journey and Gede Mahendrayana, S.Pd., M.Pd. who unwavering commitment to academic excellence and meticulous guidance have been the cornerstones of this research. Their expertise, patience, and insightful feedback have been instrumental in shaping the conceptual framework and methodology.
2. All the English Language Education lectures provided proper knowledge, valuable experiences, and advice throughout the college journey.
3. I want to thank GANESHA University of Education for providing a conducive environment for academic research. The institutional resources, including library facilities, research seminars, and access to databases, have played a crucial role in the development of this study.
4. I am very grateful to the Head of SMK Negeri 2 Singaraja, who has permitted me to conduct the research at SMK Negeri 2 Singaraja until my research is completed to fulfill the graduation requirements for the bachelor's degree in English Education Program.
5. I would also like to thank you very much to the tenth-grade English teachers of SMK Negeri 2 Singaraja and the tenth -grade students from all the classes, specifically from Accommodation and Hospitality classes (Kelas

Perhotelan) and culinary classes (Kelas Boga) that already participated and contributed to finish this research.

6. To my family, specifically to my dearest parents, Bahrudin and Hidayah, who have always supported me, your unwavering support, encouragement, and understanding during the demanding phases of this research journey have been my source of strength. Your belief in the significance of this work has motivated me to strive for excellence. They are always here to give the best support for me, understand and teach me in every possible way, and never abandon me when I fall.
7. I am grateful to my colleagues, fellow researchers, and friends who are in the same supervisors for their collaborative spirit, intellectual exchange, and shared insights. The synergy of ideas and diverse perspectives within our research group has enriched the overall quality of this project.
8. I want to dedicate a special note of gratitude to my dear Sandy Risqi Hanafi. Your support has been the unsung hero behind the scenes of this entire journey, and I can't express how much it means to me. From late-night brainstorming sessions to the countless words of encouragement, you've been a pillar of strength. Your insights, laughter, and shared moments have been crucial to my personal and academic life. Thank you for being the sounding board for my ideas, the cheerleader during the tough times, and the celebrator during the victories. Your unwavering support has made the challenges more manageable and the successes all the sweeter.

The writer knew that everything presented in this thesis was far from perfect. Therefore, critic and suggestions are needed to improve this thesis. Hopefully, this thesis can be helpful to readers or other researchers interested in differentiated instruction integrated with technology and teachers' readiness.
