DEDICATIONS

This thesis is highly dedicated to Ida Sang Hyang Widhi Wasa, who has strengthened me in all situations, raised me in all downturns, helped me through his messengers, opened opportunities for me to continue to struggle and achieve my dreams in the midst of my limitations and shortcomings.

For the amazing me, who has survived until now, who is so strong in facing all the problems, challenges, and trials of life. You are so great. Keep going, make sure you can. Your courage to keep going in the midst of the storm will continue to make you much stronger. Hopefully, in the future you can become a better version than before.

You deserve better.

My Parents, I Gusti Komang Darmawan and Ketut Astiti who have accompanied my every step, provided full support, willing to sacrifice anything especially for my education. All of this is for you. Making you proud is my duty.

My Younger Brother, I Gusti Agung Dicky Mahadewa, who always encourages me to keep fighting. Because every time I see you, I feel a big responsibility on my shoulders to ensure your life in the future.

My Lovely Family, Buk Kadek Darmayanti, Ninik Taman, Byang Ayu, Trisna, Risma, and Kak Mita, who are always there and willing to help in every difficulty. Thank you for raising me when I was down, thank you for your care, support, always trying to provide a way out of every problem I face no matter how big it is, thank you for being willing to sacrifice for me, giving advice, motivation, careful consideration so that every decision I take does not disappoint me.

Thank you for always being willing to listen to my complaints and never leaving me. I am grateful to be able to know and find you and be found by you.

The presence of all of you in my life story is a gift from God for me. You are the ones who are able to support me to be able to stand upright in all conditions. This S.Pd degree also has your intervention in it. Without you, it is difficult for me to get to this point. Thank you for being a complement to my life story. Because of you, I can also complete this thesis. Thank you for your presence, you have helped open the way for me to achieve my dreams.
