## **ABSTRACT**

*This research is based on the standard of housekeeping department service at the Four Points Hotel By Sheraton Bali, Ungasan which still has problems. Therefore, this research was conducted with the aim of determining the quality of service standards carried out by the housekeeping department at the Four Points By Sheraton Bali Hotel, Ungasan. The results of the research show that the housekeeping department service at the Four Points By Sheraton Bali Hotel, Ungasan, already has good Standard Operating Procedures and has been persuaded by the leadership, however there are still many hotel staff who do not pay attention to these procedures, resulting in several problems with guest service. Staff's slow handling of problems causes customers to feel uncomfortable. However, the hotel always tries to fix the problems that occur. Hotel management also carries out routine performance evaluations by providing service data and feedback containing customer opinions about hotel services. This action was taken to provide good service to guests at the Four Points By Sheraton Bali Hotel, Ungasan.*
