C2 – Comprehension	Aural	Indicator 1.1	Students are given an audio and asked to remember as much food or drink as they can with the taste mentioned based on the audio.	Oral Assessment
			1.3 Through the material (can be video, pictures, audio or text (Condition), learners (Audience) are able to use sentences with certain patterns in English to express the taste of food and drink (Behaviour) appropriately (Degree). C3 - Application		Indicator 1.2	Students are given and asked to listen to an audio. Then, the teacher reads 5 questions orally, and the students write their answers in the book.	Oral Assessment
					Indicator 1.3	Students are given dialogue audio and asked to complete a true-or-false worksheet based on it. After that, the students, with their seatmates, read their answers in front of the class.	Performance Self-Assessment, Self-Assessment, and Observation Assessment.
				Read/Write	Indicator 1.1	Students are given a draw-a-line worksheet and asked to read carefully the taste of foods and correctly draw a line to the food/drink.	Written Assessment
					Indicator 1.2	Students are given a short text related to the topic in the form of a worksheet and asked to read it. Then, students answer the questions below.	Written Assessment
					Indicator 1.3	The teacher gives students dialogue on the board, and they write it in their own book. Then, students with their seatmates answer the questions below and present to read the dialogue along with their answers in front of the class.	Speaking Assessment, Observation Assessment and Self-Assessment.

		Kinaesthetic	Indicator 1.1 Students are asked to look around and ask their 10 classmates about their favorite food/drinks with their taste. The results have to be written in the form of a table.	Written Assessment
		Indicator 1.2 The teacher sticks images of food or drinks in front of the class. Then, the students raise their hands, and the teacher chooses who is the fastest. The students choose to match the picture with the right taste and get a point.		Oral Assessment
		Indicator 1.3 The teacher brings a few foods and drinks and plays the "taste test" games. Then, the teacher draws a table, and the students are asked to draw it on their books. The game starts, and students are asked to taste the food and drinks one by one and then complete the table.	Speaking & Observation Assessment	
	I Want an Ice cream cone!	Visual	Indikator 1.1 Students are given flashcards related to the topic, and then they do an identifying worksheet to match the picture based on the list below the picture.	Written Assessment
		Indikator 1.2 Students are given a video related to the topic and do a draw-a-line worksheet to match the picture and draw a line to the right containers based on the picture.		Written Assessment
		Indikator 1.3 Students are given a video related to the topic and asked to do a drawing exercise with a group. Based on their drawings, students are asked to present an expression. Students are given an example to help them understand the exercise.	Performance Assessment, Observation, Assessment, and Self-Assessment.	
		Aural	Indikator 1.1 Students are given an audio of a dialogue, and then they are asked to identify the use of containers/quantifying nouns based on the audio and write the answers in their books.	Written Assessment
		Indikator 1.2 Students are given audio and asked to write down 6 food/drinks along with their containers in the form of a table based on the audio they have already listened to.		Oral Assessment
		Indikator 1.3 Students are given audio and asked to work in pairs. Then, the teacher gives questions orally based on the audio, and the students have to answer and present the result in front of the class with their seatmates.	Speaking Assessment, Observation, Assessment, and Self-Assessment.	
		Read/Write	Indikator 1.1 Students are given a short text related to the topic. They are asked to discuss it together and identify the use of container/quantifying nouns based on the text.	Oral Assessment
		Indikator 1.2 The teacher wrote a few lists related to the topic and then asked students to read and complete the rearranged worksheet.		Written Assessment
		Indikator 1.3 The teacher gave the students a short text with some gaps. Then, the teacher asked the students to read the text, fill in the blank spaces with their seatmates, and present it in front of the class.	Speaking Assessment, Observation, Assessment, and Self-Assessment.	
	Kinaesthetic	Indikator 1.1 The teacher spreads a few flashcards around the classroom, and then the students are asked to find and identify the flashcards as container/quantifying nouns. Students who get the flashcards and answer right get points.		Oral Assessment
		Indikator 1.2 The teacher asked students to form groups and gave each group a sensory bag with pictures related to the topic and paper in two categories. Then, the groups were asked to explore the sensory bag and identify the eight categories.	Oral Assessment	

			Indikator 1.3	The teacher divided the students into 4 groups and asked them to bring some stuff for the exercise. Then, each group was given a list of containers/quantifying nouns and drew a shopping cart filled with the listed stuff. Then, write down the sentences and present the results. #### **Evaluation Sheet for Differentiated Assessment Instruments in Emancipated Curriculum for 5th Grade Students of Elementary School**

#### **Based on Problem-Based Learning, Project-Based Learning, and Discovery Learning**

Target : Elementary School  
 Title : DEVELOPING DIFFERENTIATED ASSESSMENT  
 INSTRUMENT IN EMANCIPATED CURRICULUM FOR 5th GRADE STUDENTS OF  
 ELEMENTARY  
 Researcher : Ni Putu Deliana Mentari  
 Evaluator : Gede Mahendrayana, S.Pd., M.Pd.  
 Occupation/Position : 1st Validator  
 Grade : 5th

**Description:**

This evaluation sheet is designed to assess the quality of differentiated English assessment based on the emancipated curriculum for (kelas) students of Elementary school, and based on Problem-Based Learning, Project-Based Learning, and Discovery Learning. This English learning assessment aims to help teachers address student diversity and can be implemented in the classroom. Therefore, your willingness to assess and judge the English learning assessment is highly appreciated.

**Instructions:**

1. This evaluation sheet has to be filled out by the educational experts.
2. There are 5 (five) levels or scores that can be chosen.
3. Put a check mark (✓) in the column based on your opinion.
