## ACKNOWLEDGEMENT

First of all thanks to God, Sang Hyang Widhi Wasa, without Its blessings and grace, the researcher would not have been able to complete this thesis well. Believing that God's blessings are real is the light so that this thesis can be completed even though there are one or two obstacles. There were many people who helped and supported me during the process of completing this thesis. Then I must mention those names. Therefore, I would like to give heartfelt gratitude to the following:

1. Luh Gede Eka Wahyuni, S.Pd., M.Pd. and Ni Putu Astiti Pratiwi, S.Pd., M.Pd., as my supervisors without their guidance, the researcher would not have been able to complete this thesis, would not have been able to write a thesis as good as this, and would not have reached this stage. Thank you for your patience and sorry for my shortcomings. Thank you also to the examiners, Prof. Dr. Ni Made Ratminingsih, M.A., who were kind enough to take the time to examine and let the researcher pass the exam.
2. All the lectures in English language education department supports and provide the writer with their valuable knowledge and experiences during all these semesters until this stage.
3. Ir. Made Wiryana, M. T., father who always ensures that the researcher is able to go through the thesis process with his personal guidance, Komang Suarini, my beloved mother who always gives the researcher encouragement and positive affirmations as well as her endless prayers until the researcher is able to survive until now.
4. Patrianaya Margayasa and Wira Narendra, my 'enemy' who I can't live without, even though they did not directly encourage researcher, they calmed and gave the researcher motivation that this step was not difficult. *"I know you love me, brothers, even though your pride is so high."* Thank you also to the researcher's cousin, Dita Listya, a prospective dentist who was willing to listen to the researcher's joys and sorrows, encourage the researcher and spread her positive energy.
5. The headmaster and English teacher at SMA Laboratorium Undiksha Singaraja, Ms. Luh Widyareni, for the opportunity and convenience provided when collecting data at school, hopefully, she will be given abundant blessings from God. Also thank

you to students in X.A and X.B for their cooperation during collecting the data, I love you, dears.

6. The closest and dearest people to the researcher, friends, Evanti Andriani, thank you for accompanying the researcher for the past 7 years and encouraging the researcher until now, listening to reseacher's stories, brought researcher go hang out to stress-releasing, Citra and Rima, thank you for being willing to be the researcher's friend, making the researcher recognized as existing, and always encouraging researchers lovingly. Ayu Marta and Sri Damayanti, thank you for being friends who are willing to listen to researchers' ups and downs and also provide abundant support. Umbrella research friends, Indah, Maha, Satya, Arya, Prema, thank you for helping researchers from the beginning until now. Classmates, Della, Michelle, Desi, Lia, and others, thank you for the ups and downs you have given me during this 4 year study, I hope you are always successful.
7. The researcher would like to thank herself, thank her for surviving until now, thank her for still being willing to fight, thank her for always thinking positively, thank her for being patient, thank her for not giving up.
8. Zerobaseone, your stories motivate researcher and your songs have accompanied researcher in working on this thesis, especially Ricky, Zhang Hao, and Gyuvin. Then Juicy Luicy, even though the researcher doesn't relate to your song, your song is quite capable of accompanying the researcher when she is upset.
9. Wattpad's author whose stories I read, your stories accompanying me when I feel blunt, tired, and stressed.

Whoever comes and goes, thank you very much, you have given life to researcher many unexpected stories during this time.
