ACKNOWLEDGEMENT

I am grateful to God Almighty, Ida Sang Hyang Widhi Wasa, who has bestowed guidance and inspiration, so that I can complete a scientific paper entitled "Analysis Of 8th Grade Students' English Speaking Difficulties And Teaching Strategies At SMP Negeri Satu Atap 2 Sukasada After Covid-19 Pandemic".

This achievement would not have been possible without the help of various parties who have made valuable contributions in the process of completing this paper. Hereby, I would like to express my sincere gratitude to those who have contributed:

1. To Prof. Dr. Ni Nyoman Padmadewi, M.A., my dedicated main supervisor, I am very grateful. She has provided consistent direction, constructive suggestions, and invaluable encouragement. Her contributions were essential in completing and improving the quality of this research paper.
2. I would like to thank Kadek Sintya Dewi, S.Pd., M.Pd., as my diligent co-supervisor. She has contributed her expertise and provided invaluable direction and guidance throughout the process of preparing this research paper.
3. I would like to express my deepest gratitude to all the lecturers of the English Education Study Program. Thanks to their expertise, support, and endless guidance throughout my academic journey, a solid foundation of knowledge has been formed. This is reflected in the scientific work that I have compiled. The collective contribution of these esteemed educators has been invaluable in shaping the understanding and insights on which this research is based.
4. I would like to express my deepest gratitude to the entire academic community of SMP Satu Atap 2 Sukasada for their tremendous support and cooperation during the research process and the preparation of this thesis. This appreciation goes to the Principal for granting research permission, the English teachers who shared valuable insights, the

administrative staff who assisted in licensing and data provision, and the Grade 8 students who actively participated in the research. The contribution of all parties at SMP Negeri Satu Atap 2 Sukasada is invaluable and is the key to the success of this research. Hopefully, the results of this study can be useful for the development of English language learning in this school.

5. I express my deepest gratitude to my beloved parents Ni Made Sutrahani S.Pd. and I Ketut Sumenaya S.E. Thanks to their endless prayers, moral support, and sacrifices, I was able to complete this thesis. The love, patience, and encouragement that he always gives is the main strength for me in facing every challenge during the process of preparing this scientific work. This achievement would not have been possible without the guidance and inspiration of my respected parents. I hope this work can be a form of my devotion to them.

I fully realize that this scientific work still has many shortcomings. Therefore, I really hope for input in the form of constructive criticism, comments and suggestions to improve this research. I hope that the results of this research can provide benefits for readers and become a useful reference source for future studies in related fields.
