ACKNOWLEDGEMENT

First and foremost, I would like to declare gratitude to almighty God, for the blessing and kindness in leading me to complete this thesis entitled “**Perceived and Observed Teaching Creativity of English Teachers in SMA Negeri 1 Melaya**”. There were many people who helped me during the process of completing this thesis. It is pretty sure for me to mention those names. However, I would like to give heartfelt gratitude and appreciation to:

1. Prof. Dra. Luh Putu Artini, M.A., Ph.D as the first supervisor who always guides me patiently in giving correction, suggestions, precious lesson and motivation to increase the quality of my writing, and Prof. Dr. Ni Nyoman Pandmadewi, MA., as the second supervisor who always gives the detail correction, suggestion and precious lesson about how to be a good writer,
2. I Putu Ngurah Wage Myartawan, S.Pd., M.Pd., as the examiner of this study for the valuable suggestion to make this research paper much better,
3. Dr. I G A Lokita Purnamika Utami, S.Pd., M.Pd, as my academic advisor and the one who encouraged me to write the research paper with appropriate structure,
4. All lecturers in English Language Education who had given uncountable supervision and precious knowledge to the writer during the past three and half year,
5. Drs. I Nyoman Sukarya, the headmaster of SMA Negeri 1 Melaya who had given permission, information, hospitality, and allowed the writer to complete the process of collecting the data,

6. English teachers in SMA Negeri 1 Melaya who had given information and advice to the writer on how to be a good teacher,
7. The writer's family who always blessed the writer every day,
8. My appreciation to my best friends anjir who always accompany me in spending my time during the last 3 years,
9. The writers' significant other, Sevi Wahyuni who always supports and gives encouragement to writers to complete this thesis.

Finally, I hope this research paper will be useful for readers who want to know how English teachers perceived their creativity and how they implemented it in the class. However, I believe that there will be some mistakes and errors that I had made in this research. Therefore I have to learn more about this study far from perfect. Additionally, suggestion and criticism for this research paper are really appreciated.
