STATEMENT SHEET

I declare that the thesis I prepared as a requirement for obtaining a Master of Education degree from the Ganesha University of Education Postgraduate Program is entirely my work. Certain parts of my thesis writing that I quoted from other people's work have been written clearly and under academic norms, rules, and ethics.

Suppose in the future it is discovered that all or part of this thesis is not my work or that certain parts are plagiarized. In that case, I am willing to accept the sanction of revocation of the academic title I hold and other sanctions under the laws and regulations in force in the territory of the State unity of the Republic of Indonesia.

Singaraja, July 2024

Who made the statement,

(Kadek Ratnawati)

ACKNOWLEDGMENT

The author expresses gratitude to God Almighty for His favour, which enabled the thesis “The Effect of Interactive E-Modules Assisted by Google Sites on Students’ Critical Thinking Skills and Learning Engagement in EFL Classes” to be finished successfully. This thesis was created to meet one of the prerequisites for acquiring a Master's degree in Postgraduate Education at Ganesha University of Education under the Study Program English Education. Various parties have contributed significantly to the completion of this thesis. As a result, allow the author to express his gratitude and admiration to the following individuals.

1. Prof. Dra. Luh Putu Artini, M.A., PhD, as a supervisor I, patiently led, directed, and gave relevant inspiration so that the author was able to overcome numerous barriers throughout the study and completion of this thesis;
2. I Putu Indra Kusuma, S.Pd., M.Pd. PhD, as supervisor II, with a distinctive style and communication pattern, has stimulated the author's passion, inspiration, and hopes during the study and writing of this thesis report manuscript so that this thesis realized well according to expectations;
3. Prof. Dr. I Nyoman Adi Jaya Putra, M.A and Made Hery Santosa, S.Pd, M.Pd., Ph.D. as examiners who have offered several important ideas for developing this thesis;
4. Ni Luh Eka Setiawati and Putu Eka Pratiwi, as a research partner at the research location who, has assisted the author greatly in doing research;

5. Students from class XI F 7 and XI F 9 in SMAN 2 Kuta who have been significantly involved as study subjects;
6. Head Master of SMAN 2 Kuta, who has granted the author permission to do research at SMAN 2 Kuta;
7. Study Program Coordinator English Education Prof. Dra. Luh Putu Artini, M.A., Ph.D and instructional staff who greatly assisted and inspired the author throughout the production of this thesis;
8. Undiksha Postgraduate Director and staff, who have assisted the author much in finishing this thesis;
9. Colleagues in the Study Program English Education who shaped the author's personality during the thesis study;
10. The author's parents, provided material and moral support during the thesis completion process.

Hopefully, all their assistance in finishing this research will strengthen God Almighty's balance, health, and harmony in living. The author acknowledges that this thesis is not perfect. However, its inclusion in the academic community will add to the treasure of information in advancing science. Hopefully, my thesis will be valuable for the educational community, particularly those who claim to be protected by the magnificent banner of education.
