ACKNOWLEDGEMENT

First of all, the researcher would like to express gratitude to Ida Sang Hyang Widhi Wasa/Tuhan Yang Maha Esa for blessings and grace to the author for being able to complete the thesis with the title “*The Use of Drilling Techniques Integrated with Technology to Improve Students' Vocabulary Mastery at SD Negeri 4 Kaliuntu*” well to fulfill one of the requirements to obtain a bachelor's degree in English Education. The author realizes that this thesis cannot be realized without the help, guidance, and support from various parties. The researcher would like to respectfully thank:

1. Kadek Sintya Dewi, S.Pd. M.Pd, as the first supervisor, always provided ideas, enthusiasm, and guidance during the thesis writing process.
2. Gede Mahendrayana, S.Pd., M.Pd, was the second supervisor who helped well and provided advice and guidance during the writing of this thesis.
3. Dr. Kadek Sonia Piscayanti, S.Pd., M.Pd, as the first examiner for all the input and suggestions given to improve the research work for researchers.
4. Dr. I Wayan Swandana, S.S., M.Hum., as the second examiner who provided researchers with feedback and suggestions for improving the writing of this thesis.
5. I would like to express my deepest gratitude to all lecturers of English Education in the Faculty of Language and Arts, Department of Foreign Languages for the knowledge, guidance, and motivation that have been given during my studies. May your dedication and devotion always bring benefits and blessings to various future generations.

6. The principal, fourth-grade teacher, and the students of SD Negeri 4 Kaliuntu gave the researcher permission to conduct this research in this class and helped in the process of collecting data.
7. To my wonderful parents, I Made Satria and Ni Nyoman Sarioni, whose love, sacrifices, and prayers have been the foundation of every accomplishment in my life. There are not enough words to describe how grateful I am to have you as a source of strength and inspiration. Thank you for always believing in me, even when I doubted myself.
8. All my family members, my brother, my sisters and my sibling's child, are always there to cheer and support me to complete this thesis.
9. To my best friends in this journey, I Dewa Ayu Putu Ratih and Ni Kadek Ayu Dewi Sariyani, you are a reminder that this journey is not just about reaching the destination but also about enjoying the process. Thank you for the moments of joy, laughter, support, and encouragement that you shared. In every challenge, we strengthen each other; in every success, we celebrate together.
10. I would also like to thank all the author's friends and those who have directly or indirectly provided help, support, and inspiration. Although I may not be able to mention them one by one, I really appreciate every form of kindness that has been given.
11. To myself Ketut Rona Pratiwi I dedicate this work as evidence of a long journey full of struggle, perseverance, and growth. I know how hard the steps I had to take were and how often I felt tired, doubtful, and almost gave up. Nevertheless, I persevered.
