ACKNOWLEDGEMENT

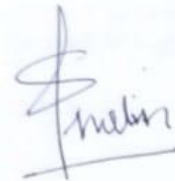

First, the writer would like to express high gratitude to the almighty God, Ida Sang Hyang Widhi Wasa, for the blessing of finishing this study on time.

The writer also would like to give a great appreciation and thanks to those who motivated, supported, criticized, and made suggestions during the accomplishment of this research paper:

1. Prof. Dr. Ni Made Ratminingsih, M.A. as the first supervisor and the academic supervisor, has kindly given valuable, inspiring ideas, time, guidance, and advice for completing the research paper, as well as motivation that helped and advised the writer during the past four years in English Language education.
2. Made Hery Santosa, S.Pd, M.Pd., Ph.D., the second supervisor for the beneficial critiques, valuable guidance, helpful advice, and countless times helping the writer finish this thesis.
4. The informants who had given permission and information for the kindness to the writer in collecting data.
5. I thank my parents, family, and friends for always supporting me.

The writer hopes that God will always be on our side to give His blessing, and this research paper can help develop the English Language teaching-learning process. The writer appreciates constructive criticism, suggestions, and feedback needed to improve this research paper.
