ACKNOWLEDGEMENT

First and foremost, I would like to express my deepest gratitude to God for providing me with the strength, guidance, and blessings throughout the journey of completing this thesis. Without His divine intervention, this accomplishment would not have been possible.

I would also like to extend my heartfelt appreciation to all those who have contributed to the completion of this research. First and foremost, I would like to express my sincere gratitude to the teachers, staff, and students of SMAK Harapan Denpasar for their participation and support during the experimental research of The Effect Of Animated Movie On Students' Speaking Skill. They provided valuable feedback has greatly enriched this study.

I am profoundly grateful to my supervisor: I Putu Ngurah Wage Myartawan, S.Pd., M.Pd, A.A. Gede Yudha Paramartha, S.Pd., M.Pd, and Prof. Dr. Ni Nyoman Padmadewi, M.A for their unwavering guidance, patience, and invaluable insights throughout the entire research process. Their expertise, constructive criticism, and encouragement have played a crucial role in shaping the direction and quality of this thesis. I am truly fortunate to have had such a dedicated and knowledgeable mentor.

furthermore, To my mom and dad who always give motivation, affection, encouragement and financial things to support my study, thank you for all the love given in raising and guiding me. For both of them this thesis is presented. Then to my support system is my husband, thank you for the warmness and making everything feels like home. He always believes in me when I couldn't believe in myself, he has truly been my light in darkness and breath of fresh air when things

became too heavy.

Also thanks to all my close friends who always share their precious time, motivation, experiences, and always give countless happiness during these four years struggle. Thank you for helping me get to this point in my life.

The author hopes that God will always accompany and be by our side to give His grace and that this research paper can be useful and for the development of the English language teaching and learning process. The author really appreciates all constructive criticism, suggestions and input needed to improve this research paper.
