Appendix 2. Table of Interview Guide

QUESTIONNAIRE

This questionnaire is prepared by Ni Putu Sukma Mahayoni, a student of the English Education Program at the Faculty of Language and Arts, Ganesha University of Education. This questionnaire is designed to collect data regarding the use of swear words in the Korean language, which will be utilized for the thesis titled "Swear Words Used by South Korean."

In this regard, I kindly ask the informants to complete the questionnaire according to the instructions provided. The data collected will be used solely for academic purposes. I hope you will respond based on the everyday context and situation in your country. The questionnaire is divided into several sections, including an introduction and instructions.

A. Introduction:

This research focuses on the use of swear words in the Korean language, particularly by South Korean tourists visiting Gianyar.

B. Instructions:

The questionnaire consists of several parts:

Section 1: Please fill in your personal information.

Section 2: Below is a list of words collected through document analysis from various sources. Please mark the words that you consider to be swear words. For any words not listed but that you think are swear words, please write them in the space provided.

Thank you for your participation. Your responses are invaluable to the success of this research

Identity of Informant :

1. Name:
2. Age:
3. Gender:
4. Religion:
5. Occupation:
6. Language Spoken:

Criteria of Informant :

- a. Are you from South Korea?
 Yes No
- b. Do you speak with a native South Korean accent and dialect?
 Yes No
- c. Do you fluent in English?
 Yes No
- d. Do you have sufficient time to participate in an interview for this research?
 Yes No
