ABSTRAK

Penelitian ini bertujuan untuk mengembangkan media powerpoint interaktif BaLe LaLi bermuatan Pendidikan Kewarganegaraan (PKn) dengan materi hak dan kewajiban, yang dikemas dalam bentuk media elektronik dengan beberapa sub menu yakni (1) cover media powerpoint interaktif, (2) petunjuk penggunaan, (3) menu utama, (4) tujuan pembelajaran, (5) materi pembelajaran, (6) pembahasan tentang lagu daerah putri cening ayu, (7) kuis interaktif, (8) penugasan, dan (9) profil pengembang. Media BaLe LaLi diperkaya dengan unsur lagu Bali untuk meningkatkan daya tarik dan efektivitas pembelajaran. Penelitian ini juga menguji kelayakan dan efektivitas media terhadap hasil belajar siswa kelas IV SD Wahidiyah Denpasar. Model pengembangan yang digunakan adalah ADDIE, yang mencakup lima tahap: analisis, desain, pengembangan, implementasi, dan evaluasi. Hasil uji validitas menunjukkan bahwa media *BaLe LaLi* memiliki kategori sangat baik, dengan skor: ahli materi 93%, ahli desain 92,5%, ahli media 95%, uji coba perseorangan 92,5%, dan uji coba kelompok kecil 96%. Uji efektivitas melalui post-test menunjukkan rata-rata nilai siswa sebesar 86,69, meningkat dari nilai KKTP sebesar 75. Analisis statistik menghasilkan nilai *thitung* (4,89913), yang lebih besar daripada *ttabel* (1,729) pada taraf signifikansi 5% dengan derajat kebebasan 19, sehingga menunjukkan peningkatan hasil belajar siswa yang signifikan. Berdasarkan hasil penelitian, media pembelajaran *BaLe LaLi* yang diperkaya dengan unsur lagu Bali terbukti valid, menarik, dan efektif dalam meningkatkan hasil belajar PKn siswa kelas IV. Media ini tidak hanya membantu pencapaian hasil belajar, tetapi juga mendukung pelestarian budaya lokal melalui integrasi elemen seni tradisional.

ABSTRACT

This research aims to develop BaLe LaLi interactive powerpoint media containing Civic Education (PKn) with rights and obligations material, which is packaged in the form of electronic media with several sub-menus, namely (1) interactive powerpoint media cover, (2) instructions for use, (3) main menu, (4) learning objectives, (5) learning materials, (6) discussion of Putri Cene Ayu regional songs, (7) interactive quizzes, (8) assignments, and (9) developer profiles. BaLe LaLi's media is enriched with elements of Balinese songs to increase the attractiveness and effectiveness of learning. This study also examines the feasibility and effectiveness of media on the learning outcomes of grade IV students of SD Wahidiyah Denpasar. The development model used is ADDIE, which includes five stages: analysis, design, development, implementation, and evaluation. The results of the validity test show that BaLe LaLi's media has a very good category, with scores: material experts 93%, design experts 92.5%, media experts 95%, individual trials 92.5%, and small group trials 96%. The effectiveness test through the post-test showed an average student score of 86.69, an increase from the KKTP score of 75. Statistical analysis produced a tcount value (4.89913), which was greater than the ttable (1.729) at a significance level of 5% with a degree of freedom of 19, thus showing a significant improvement in student learning outcomes. Based on the results of the research, BaLe LaLi's learning media enriched with elements of Balinese songs has proven to be valid, interesting, and effective in improving the learning outcomes of PKn grade IV students. This media not only helps achieve learning outcomes, but also supports the preservation of local culture through the integration of traditional art elements.
