Appendix 1. Questionnaire

QUESTIONNAIRE

This questionnaire was prepared by Putu Ayu Dinda Sugiantari, a student of English Education Program in Faculty of Languages and Arts, Ganesha University of Education. The purpose of this questionnaire is to collect data on the use of swear words in Singaporean language, which will be used in thesis research entitled "Swear Words Used by Singaporean". I respectfully request the respondents to fill out this questionnaire according to the instructions given. The data collected will be used solely for academic purposes. I hope you can answer based on the context and daily situations in your country. This questionnaire consists of several parts, including an introduction and instructions for filling out.

1. Introduction

This study focuses on the use of swear words in Singaporean language, especially by tourists from Singapore who visit Canggu.

2. Instructions for Filling Out

This questionnaire consists of several parts:

Section 1: Please fill in your personal information.

Section 2: Below is a list of words obtained from document analysis from various sources. Please mark the words that you think are included in the category of rude words. If there are other words that you think are rude words but are not listed, please write them in the column provided.

Thank you for your participation. Your answers are very valuable to the success of this research.

I Hereby agree to participate as an informant in this research. I understand that the information I provide will be used for academic purposes and my identity will remain confidential.
