**ABSTRAK**

Kajian hasil penelitian ini mempunyai dua tujuan dasar yaitu (1) mengidentifikasi kegiatan-kegiatan yang dilakukan OSIS; (2) menggali bagaimana internalisasi karakter kepemimpinan dicapai melalui kegiatan OSIS; (3) memahami strategi yang dilakukan pimpinan OSIS dalam mengembangkan kualitas kepemimpinan siswa; dan (4) mengidentifikasi tantangan dan kendala yang dihadapi pimpinan OSIS dalam menumbuhkan karakter tersebut pada siswa. Penelitian ini menggunakan pendekatan kualitatif, dilakukan di SMA Negeri 1 Seririt. Subyek penelitian terdiri dari delapan orang, antara lain Kepala Sekolah, Wakil Kepala Sekolah Bidang Kesiswaan, Pembina OSIS, Ketua Pengurus OSIS (MPK), Ketua OSIS, dan beberapa siswa. Metode pengumpulan data meliputi observasi, wawancara, dokumentasi, dan studi literatur. Untuk analisis data, penelitian ini menggunakan teknik yang terdiri dari pengumpulan data, reduksi data, penyajian data, dan penarikan kesimpulan. Hasil penelitian menunjukkan bahwa: (1) OSIS SMA Negeri 1 Seririt aktif melakukan berbagai kegiatan, baik yang dituangkan dalam program kerjanya maupun di luar program kerjanya; (2) OSIS telah berhasil menginternalisasikan proses pengembangan karakter kepemimpinan siswa melalui kegiatan seperti Latihan Dasar Kepemimpinan (LDKS), Latihan Barisan (PBB), dan pelatihan calon ketua OSIS; (3) Upaya dan strategi yang dilakukan OSIS untuk menumbuhkan kualitas kepemimpinan mahasiswa antara lain dengan memberikan pengalaman praktis kepemimpinan, mengadakan pelatihan kepemimpinan, pendampingan, pengembangan soft skill, dan terlibat dalam kegiatan dan tanggung jawab sosial. (4) Kendala dari proses pembentukan sifat pemimpin peserta didik melalui kegiatan OSIS yakni, kurangnya partisipasi aktif dari siswa dan kesulitan dalam mengatur waktu dalam kegiatan akademik.

## **ABSTRACT**

*The study of the results of this research has two basic objectives, namely (1) identifying the activities carried out by the OSIS; (2) explore how internalization of leadership character is achieved through OSIS activities; (3) understand the strategies used by OSIS leaders in developing student leadership qualities; and (4) identifying the challenges and obstacles faced by OSIS leaders in cultivating these characters in students. This research used a qualitative approach, conducted at SMA Negeri 1 Seririt. The research subjects consisted of eight people, including the Principal, Deputy Principal for Student Affairs, OSIS Supervisor, Chairman of the OSIS Management (MPK), Chairman of the OSIS, and several students. Data collection methods include observation, interviews, documentation, and literature study. For data analysis, this research uses techniques consisting of data collection, data reduction, data presentation, and drawing conclusions. The results of the research show that: (1) the OSIS of SMA Negeri 1 Seririt actively carries out various activities, both those outlined in their work program and outside their work program; (2) OSIS has succeeded in internalizing the process of developing students' leadership character through activities such as Basic Leadership Training (LDKS), Lineup Training (PBB), and training for prospective OSIS presidents; (3) Efforts and strategies carried out by OSIS to develop student leadership qualities include providing practical leadership experience, holding leadership training, mentoring, developing soft skills, and being involved in social activities and responsibilities. (4) Obstacles in the process of forming students' leadership qualities through OSIS activities are the lack of active participation from students and difficulties in managing time in academic activities.*
