## PREFACE

The author prays praise and gratitude to God Almighty for His grace, so that the thesis entitled: "Research Employee Welfare and Job Satisfaction in The Chinese Hotel Industry" can be completed as planned.

This thesis was written to fulfil one of the requirements for obtaining a Master of Management degree at Ganesha Education University in the Management Science Study Program. The completion of this thesis has received a lot of helping hands from various parties. For this reason, allow the author to express his thanks and appreciation to the following parties.

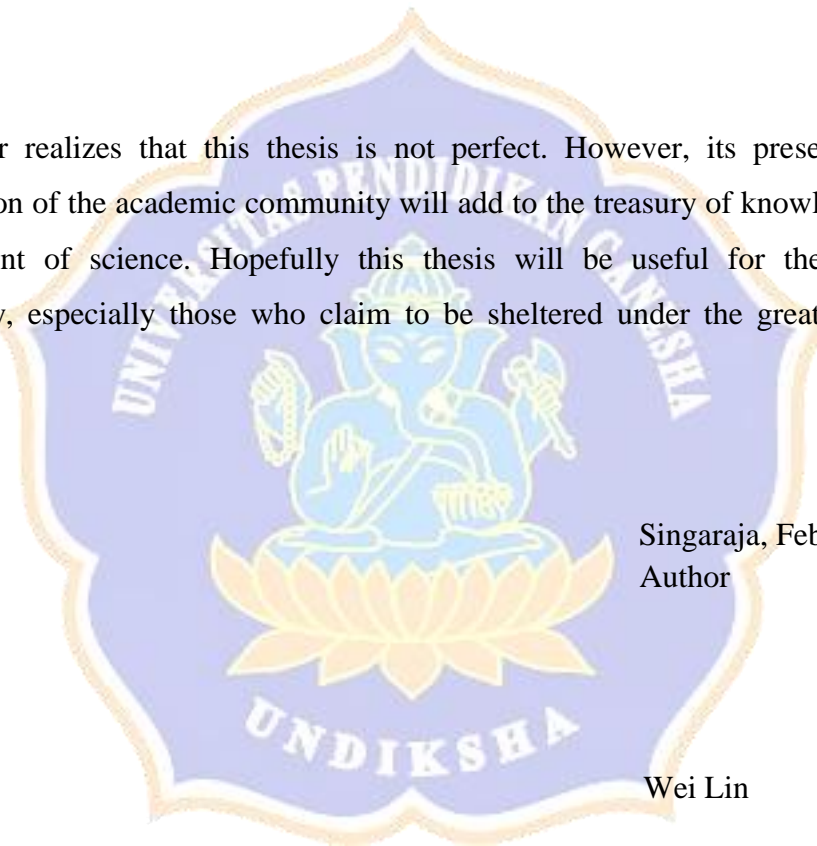

1. Prof. Putu Indah Rahmawati, S.St.Par., M.Bus., Ph.D. as principle supervisor, who has patiently guided, directed and provided meaningful motivation, so that the author was able to overcome various obstacles in the course of study and completion of this thesis.
2. Trianasari, M.M., Ph.D as co-supervisor who has also guided patience
3. Dr. Fridayana Yudiaatmaja, M.Sc. as examiners who have provided many useful inputs for improving this thesis;
4. Dr. Ni Luh Wahan Sayang Telagawathi, M.M., as the Coordinator of Management Science Study Program and the entire teaching staff who have helped and motivated the author a lot during the preparation of this thesis;
5. Prof. Dr. I Nyoman Jampel, M.Pd as the Director of Undiksha Postgraduate School and staff, who have helped the author a lot while completing this thesis;
6. Prof. Dr. I Wayan Lasmawan, M.Pd as the Rector of Undiksha, who has provided moral assistance and facilitated the author's various interests in completing this thesis;

7. Colleagues from the Management Science Study Program who, with their different characters, have contributed a lot to shaping the author's personality during the study and completion of this thesis;
8. My family who have helped a lot materially and morally during the completion of this thesis.

Hopefully, for all the help they have provided in completing this study, they will be blessed with commensurate rewards by God Almighty, health and harmony in living their lives.

The author realizes that this thesis is not perfect. However, its presence in the constellation of the academic community will add to the treasury of knowledge in the development of science. Hopefully this thesis will be useful for the academic community, especially those who claim to be sheltered under the great banner of education.
