ACKNOWLEDGEMENT

All praise is due to God Almighty for His grace, love, and blessings, which have made it possible for the author to complete this thesis entitled **“Knowledge and Treatment of Students Who Are Potentially Dyslexic: Teachers’ Perspectives.”** This thesis is submitted as a requirement for college education. The writing process has been both challenging and insightful. Along the way, the author faced several difficulties, such as limited time and academic responsibilities. Nevertheless, thanks to valuable guidance, constant support, and the prayers of many, this thesis was successfully finished. The author sincerely appreciates everyone who contributed, directly or indirectly, to the research and completion of this work.

On this occasion, the author would like to express heartfelt respect and appreciation to:

1. Prof. Dra. Luh Putu Artini, M.A., Ph.D., as the first thesis supervisor, for her invaluable guidance, insightful feedback, and unwavering support during the entire research journey.
2. I Ketut Trika Adi Ana, S.Pd., M.Pd., as the second thesis supervisor, whose expertise, patience, and consistent encouragement greatly contributed to the successful completion of this study.
3. The entire faculty of English Language Education, for their inspiring lessons and enriching experiences that have significantly contributed to the author’s growth.
4. The headmasters and teachers of SDN 1 Kaliuntu, SDN 1 Kampung Anyar,

and SDN 2 Banjar Bali who provided permission and the necessary information for this paper.

5. The researcher's parents, Made Mudiarna and Gusti Ayu Mukreni, who have consistently provided financial support, motivation, and affection throughout the researcher's journey.
6. The researcher's siblings Ayu Komala and Wira for providing financial support.
7. The researcher's thesis companions and dearest best friends Rista, Natasha, Dian.
8. Special thanks to Widhi Mahen for always being there patiently listening to my stories, cheering me up, and never hesitating to help whenever I needed you. Thank you for your endless support throughout the process of writing this paper.
9. The researcher herself for staying strong through all the challenges and for having the confidence to complete this study.

In conclusion, this thesis is hoped to offer valuable knowledge and information to its readers. The researcher acknowledges that this work is far from perfect and gladly welcomes any suggestions and contributions from readers to help improve it.
