ABSTRAK

Penelitian ini bertujuan untuk menyusun rancang bangun, menganalisis validitas, kepraktisan, dan efektivitas E-LKPD berbasis *liveworksheets*. E-LKPD ini digunakan untuk meningkatkan motivasi dan hasil belajar siswa di SMP Negeri 2 Marga. Jenis penelitian yang digunakan adalah penelitian pengembangan dengan model 4D. Subjek penelitiannya guru dan siswa di SMP Negeri 2 Marga. Instrumen yang digunakan berupa kuesioner dan tes. Sebelum dilakukan efektivitas, E-LKPD divalidasi oleh masing-masing ahli diantaranya ahli materi, media, dan bahasa yang totalnya berjumlah 2 orang. Data yang terkumpul dari penelitian ini dianalisis secara kualitatif dan kuantitatif. Berdasarkan hasil pengembangan dan penelitian didapatkan hasil sebagai berikut. 1) Rancang bangun E-LKPD berbasis *liveworksheets* berupa LKPD elektronik dari 4 (empat) bab yaitu perubahan sosial, perubahan pada era modernisasi, globalisasi, dan kearifan lokal. Adapun rancang bangun dari E-LKPD IPS terdiri atas identitas, tujuan pembelajaran, petunjuk kegiatan, materi, dilengkapi dengan video, dan soal evaluasi. 2) Hasil uji validitas ahli materi, ahli media, dan ahli bahasa berada pada kategori sangat valid. 3) Hasil uji kepraktisan respon guru dinyatakan sangat praktis dan respon siswa juga dikategorikan sangat praktis. 4) Hasil uji efektivitas E-LKPD berbasis *liveworksheets* pada motivasi belajar siswa rata-ratanya meningkat dari 76 menjadi 81 dengan ketuntasan klasikalnya 78% menjadi 91%. Hasil belajar siswa meningkat dari 74 menjadi 85 dengan ketuntasan klasikalnya dari 72% menjadi 94%. Berdasarkan peningkatan hasil pre test dan post test tersebut dapat disimpulkan bahwa E-LKPD Berbasis *Liveworksheets* efektif digunakan dalam pembelajaran IPS.

ABSTRACT

This study aims to design, analyze the validity, practicality, and effectiveness of E-LKPD based on liveworksheets. This E-LKPD is used to improve motivation and learning outcomes of students at SMP Negeri 2 Marga. The type of research used is development research with a 4D model. The subjects of the study were teachers and students at SMP Negeri 2 Marga. The instruments used were questionnaires and tests. Before the effectiveness was carried out, E-LKPD was validated by each expert including material, media, and language experts totaling 2 people. The data collected from this study were analyzed qualitatively and quantitatively. Based on the results of the development and research, the following results were obtained. 1) The design of E-LKPD based on liveworksheets in the form of electronic LKPD from 4 (four) chapters, namely social change, changes in the era of modernization, globalization, and local wisdom. The design of E-LKPD IPS consists of identity, learning objectives, activity instructions, materials, equipped with videos, and evaluation questions. 2) The results of the validity test of material experts, media experts, and language experts are in the very valid category. 3) The results of the practicality test of teacher responses were stated to be very practical and student responses were also categorized as very practical. 4) The results of the effectiveness test of E-LKPD based on liveworksheets on student learning motivation increased on average from 76 to 81 with classical completeness of 78% to 91%. Student learning outcomes increased from 74 to 85 with classical completeness from 72% to 94%. Based on the increase in the results of the pre-test and post-test, it can be concluded that E-LKPD Based on Liveworksheets is effective for use in IPS learning.
