ACKNOWLEDGEMENT

First of all, the author would like to thank God Almighty, Ida Sang Hyang Widhi Wasa, for all the blessings that have been given so the author can complete a research entitled “The Use of Drilling Techniques Integrated with Technology to Improve Students’ Vocabulary Mastery at SD Negeri 3 Jehm.”

The author recognizes that this thesis will not be adequately completed without various parties' guidance, support, and motivation. The author would also like to express his gratitude and appreciation to all those who have provided guidance, advice, and support. My deepest gratitude and appreciation go to:

1. Kadek Sintya Dewi, S.Pd. M.Pd., as the first supervisor, has patiently provided direction, guidance, motivation, and attention during the preparation of this thesis.
2. Gede Mahendrayana, S.Pd., M.Pd., as the second supervisor, has helped the author with endless guidance, feedback, and suggestions.
3. Dr. Kadek Sonia Piscayanti, S.Pd., M.Pd., as the first examiner, has provided in-depth input and constructive suggestions to improve the quality of this thesis.
4. Dr. I Wayan Swandana, S.S., M.Hum., as the second examiner who has provided critical views and valuable input for the improvement of this thesis.

5. All teaching staff of English Education who have guided and inspired the author during the lecture period with extraordinary knowledge, insight, and experience.
6. The principal and teachers at SD Negeri 3 Jehem have provided permission, information, support, and comfort during the author's data collection.
7. Fifth-grade students of SD Negeri 3 Jehem who have participated in the implementation of the research. views and valuable input for the improvement of this thesis.
8. Especially to my beloved parents, I, Nyoman Bawa and Ni Nyoman Purniasih, thank you for struggling to make the best of the author's life, the motivation that never fades, and the invaluable moral and financial support. Thank you for allowing the author to explore the path according to his wishes; it turns out that the meaning of love is to trust, understand, and provide support.
9. To all family, especially the author's younger siblings (Merta, Uni, and Sari Oktavianti) who have always provided encouragement, motivation, and endless prayers during this process.
10. The author's friends, closest friends (Chintya Dewi), and trusted partners (Dinda) are always there to provide encouragement, support, and togetherness during this long journey. Thank you for being part of this experience and giving color to every step of the struggle.
11. To someone whose presence is no less critical, I Wayan Purtikayasa. Thank you for giving your time to listen to the author's complaints, giving prayers,

motivation, and always being ready to accompany the author. Thank you for being part of the author's journey until now.

12. Finally, thank you to a simple woman who has big dreams but is sometimes difficult to understand the contents of her head, namely the author herself, Eka Mei. Thank you for trying so hard to convince and strengthen yourself that you are capable of completing this study. Do not waste your efforts and prayers. God has planned and given the best portion of your life journey. May the steps of goodness always be with you. Astungkara.

The author realizes that this thesis is far from perfect, but it is hoped that this work can provide benefits for readers and become a small contribution to the world of education. Finally, the author presents this thesis as a small proof of the effort and hard work that has been undertaken, as well as a form of gratitude for all the blessings that have been received.
