ACKNOWLEDGMENT

First of all, the author would like to express his gratitude to God Almighty, because of His grace that has been given and bestowed on the writer so that he can complete the research with the title “The Use of Drilling Techniques Integrated with Technology through Vocabulary Video to Improve Student Vocabulary Mastery at SD Negeri 2 Kawan”.

The author realizes that this thesis will not be completed optimally if the author does not get guidance, motivation, and support from family and people around the author and from other parties as well. The author would also like to thank all those who have provided guidance, motivation, and support while the author was in the process of making the thesis. I would like to express my deepest gratitude and appreciation to:

1. Kadek Sintya Dewi, S.Pd. M.Pd., as the first supervisor, who has provided guidance, motivation, and direction that is very structured, and of course very patient in providing guidance during the preparation of this thesis.
2. Gede Mahendrayana, S.Pd., M.Pd., as the second supervisor, who has provided very detailed direction and guidance, as well as suggestions and input that really need to be applied in order to make a good thesis.
3. Dr. Kadek Sonia Piscayanti, S.Pd., M.Pd., as the first examiner, who has provided input and suggestions that can be constructive to improve the quality of this thesis.
4. Dr. I Wayan Swandana, S.S., M.Hum., as the second examiner, who has provided critical views and valuable input for the improvement of this thesis.

5. All English Education staff who have guided and inspired the author during the preparation of this thesis.
6. The principal and teachers at SD Negeri 2 Kawan who have given permission and opportunity to conduct research, and of course have welcomed the author kindly, and a lot of help has also been given to the author while taking data at SD Negeri 2 Kawan.
7. Fourth grade students of SD Negeri 2 Kawan who have helped and participated when taking data in class or online related to the preparation of this thesis.
8. Especially to my beloved parents, I Nyoman Budiasa and Ni Nyoman Suwirni, thank you for the prayers and love that you have given to the author until now, so that the author can complete this thesis thanks to your prayers. You are great parents, your support and motivation never fade, your sacrifices that have raised the author from childhood to the present with love make the author enthusiastic and motivated to get to this stage, namely the journey to achieve a bachelor's degree. The author is very grateful for everything that has been given, and this achievement is yours and the author's.
9. To all families who have provided support and motivation during the author's process until now.
10. The person who is most available anytime and anywhere, for (I Putu Adi Wiryawan), the author would like to thank you very much for your prayers, support, and motivation so far, of course, there is a lot of help that the author has gotten so that he can step up to this bachelor's degree. 10.

11. Friends, the closest friends around the author who cannot be mentioned one by one, and a trusted colleague (Dinda) who always helps if you have difficulty in working on this thesis, and of course the ups and downs we go through together. The author would like to thank all of you for being part of this experience and coloring every step of the struggle.

12. For myself, Ni Luh Merdani, thank you very much for being able to fight from the beginning until this moment. So many tests have been passed, joy and sorrow have passed, what is certain is that the author can go through it with a strong mentality and the author is very proud to be given the strength to face all because not everyone can be like that, and the author prefers to move forward against problems rather than giving up.

13. The author also expresses his deepest gratitude to all those who have contributed in various ways that cannot be mentioned one by one until the completion of this thesis.

I hope this work can benefit the readers and be a motivation for enthusiasm in doing something, because the results will never betray the effort. Finally, the author presents this thesis as a small proof of the effort and hard work that has been undertaken, as well as a form of gratitude for all the blessings that have been received.
