my grandfather

This is story of the gurungh and kuringen holidays, Wednesday, September 25. My friend Ane and Gune and I went to Sangrit to buy clothes. We left in the afternoon at 15.00 and we come home at 18.00. When I got home I saw my family and my aunt roasting chicken and my grandfather who was in bed because my grandfather happened to be sick and that night my grandfather asked me to take him to the bedroom because my grandfather wanted to defecate.

After coming out of the bathroom, my grandfather complained of pain, then we all gathered around him and laid him down, because it was very late at night, so I fell asleep in my room. Then at 11:30 my brother woke me up and he said that my grandfather had passed away. We all gathered around him and then we took him to his house. Then two weeks later my grandfather was also in bed.

Vacation to the beach

Last summer, I went on a beach vacation with my family. We spent a week at a beautiful seaside resort. We swam in the crystal clear water, built sandcastles, and enjoyed the sun. In the evenings, we would watch the sunset over the horizon. We also tried some delicious seafood at the local restaurants. It was a relaxing and memorable trip.

From my experience, it's better to go on holiday with family because it's more fun than going on holiday alone.
