ACKNOWLEDGEMENT

The writer would like to offer the most profound gratitude to Ida Sang Hyang Widhi Wasa, the source of all strength and wisdom. In moments of doubt and challenge, it is through faith and divine guidance that the writer found the resilience to accomplish this research entitled “The Investigation of Teachers’ and Students’ Attitudes and Enjoyment towards ChatGPT for English Language Learning: A Mixed-Methods Study”. The writer is grateful for the blessings that have allowed her to reach this point.

In conducting this research, the writer has received many valuable and meaningful contributions, suggestions, and guidance from others. Therefore, the writer would also like to express the deepest gratitude and appreciation to the following individuals who have played a crucial role in the completion of this thesis:

1. Made Hery Santosa, S.Pd., M.Pd., Ph.D. as the first supervisor who always provides suggestions, ideas, guidance, and invaluable insights throughout the research process.
2. Luh Indrayani, S.Pd., M.Pd. as the second supervisor who always provides suggestions, ideas, guidance, and invaluable insights throughout the research process.
3. All lecturers in English Language Education Undiksha for their roles in teaching and guiding the writer towards the thesis-writing process.
4. The English teachers and students at SMA Negeri 4 Singaraja who are willing to give their time for participating in data collection.
5. The English teachers and students at SMA Negeri 1 Sukawati who are willing to give their time for participating in research instrument testing.
6. The writer’s beloved parents and siblings for their unwavering support, suggestion, and presence to the writer’s freshman until final year.

7. All of the writer's friends, in *skripsi* phase, college, and high school best friends, thank you for all of the support, discussion, and joys throughout this thesis phase.

The writer is fully aware that what is presented in this thesis is still far from perfect due to the writers' limitations. Hence, the writer expects all constructive criticism and suggestions from various parties to be highly appreciated and expected for this thesis. The writer hopes that this thesis can be beneficial for the development of the English language teaching and learning process.
