ACKNOWLEDGEMENTS

Praise the compiler's gratitude to God Almighty because thanks to His grace, the author can complete the thesis entitled "IMPLEMENTATION OF GAMIFICATION ELEMENTS IN UI/UX DESIGN OF E-LEARNING MOBILE APPLICATION AT UNIVERSITAS PENDIDIKAN GANESHA USING OCTALYSIS FRAMEWORK". This thesis was prepared to fulfill the requirements to achieve a Bachelor of Information Systems degree at Ganesha University of Education. In completing this thesis, the author received a great deal of help, both moral and material, from various individuals and institutions. For that, on this occasion, the author would like to thank:

1. Dr. Kadek Rihendra Dantes, S.T., M.T. As the Dean of the Faculty of Engineering and Vocational Studies for the motivation and facilities provided so that the author can complete the study according to the plan.
2. Dr. Putu Hendra Suputra, S.Kom., M.Cs. as the Head of the Informatics Engineering Department, for the motivation given in the completion of this thesis.
3. Ir. I Made Ardwi Pradnyana, S.T., M.T., as the main supervisor, for guidance, direction, and input that is very meaningful during the process of preparing and completing this thesis.
4. Ir. Putu Yudia Pratiwi, S.T., M.T., as the associate supervisor, for the time, attention, and guidance that has been given to the author so that this thesis can be completed properly.
5. Students at Universitas Pendidikan Ganesha who have helped provide data for usability testing Undiksha E-Learning.
6. My family, parents (Mr. Ida Ketut Purwanta and Mrs. Ida Ayu Kade Maria Arini), who have supported morally and materially to the researcher in completing this research.
7. To my friends Gekmas, Manik, Diah, and Braynt as well as to those cherished friends whose names I'm unable to list individually.
8. To all other individuals and institutions whose support and contributions have been invaluable in the preparation of this thesis, even if they are not mentioned by name.

The author fully realizes that what is presented in this thesis is far from perfect, due to the limited abilities the author possesses. For this reason, for the sake of the perfection of this thesis, the author expects all constructive criticism and suggestions from various parties. The author hopes that this thesis will be useful to all of us, especially in the development of the educational field.
