Billy: Near my home, there was an old house. In the past, it was a candy store. What a great place for a candy store!

Narrator 1: One day, the house had a new door. A very, very tall door.

Billy: Then, one of the top windows opened, and a head looked at me with big, dark eyes.

Narrator 2: A second window opened, and there was a big pelican.

Billy: Who is your friend in the next window?

Pelican: She is the Giraffe!

Narrator 1: A third window opened below the Pelican—and there was a Monkey! He sang,

Monkey: (Singing) We can clean windows!
We work really hard,
We never stop to drink tea.
Who needs a ladder?
With friends like us—
The Giraffe, the Pelly and Me!

Level 3

Billy: I stood and watched.

Narrator 2: Then, the pelican flew down.

Pelican: Jump in.

Billy: The Pelican carried me up to the top window in his beak.

Giraffe: Hello, what is your name?

Billy: Billy.

Giraffe: We're hungry, Billy. We must find some windows to clean. Then, we can buy food.

Billy: A big car stopped outside, and a man got out and looked up at us.

man: Please can you clean the Duke of Hampshire's windows? He has lots of windows, and they are very dirty.

Giraffe: Yes! We can!

Billy: The four of us went to the Duke of Hampshire's house.

Duke: Who are you?

Monkey: (Singing) We are the window cleaners!
The Giraffe, the Pelly and Me!

(The Duke turns to Billy.)

Duke: What about you?

Giraffe: His name is Billy. He helps us. I am the ladder. The Pelly holds the water. The Monkey is the cleaner.

(The Giraffe and the Monkey get ready to clean the windows.)

Level 3

Giraffe: Let's start with the top windows.

Duke: You can't clean the top windows! They're too high

Giraffe: Nothing is too high for me!

Narrator 1: Then, her neck grew longer . . . and longer . . . and longer.

Narrator 2: The Giraffe, the Pelly, and the Monkey were VERY fast and VERY good at cleaning the Duke's windows.

Narrator 1: Then, they saw something in the top window. They stopped cleaning.

Billy: The Giraffe walked very slowly to us.

Giraffe: Duke, there is a man in that bedroom. He is taking things from the cupboard.

Duke: My wife's jewels! Call the police!

Narrator 2: The Pelly threw the water out of his beak and flew up to the window.

Narrator 1: He went into the room. When he flew down again, a loud noise came from his beak.

Monkey: The Pelly has the burglar!

(The police arrive.)

Narrator 2: When the police came, the Pelican opened his beak, and the police jumped on the burglar.

(The police take the burglar away.)

Duke: Thank you, my friends. Those jewels are very, very expensive. They are only safe because of you.

Appendix 3: Dialogue for Pre-Test

SPEAKING TEST INSTRUMENT

(Pre-Test and Post-Test)

Research Title: *Enhancing Students' Fluency Using Drama-Based Pedagogy Using Roald Dahl "The Giraffe, The Pelly and Me" for 9th-Grade Students at SMPN 5 Singaraja*

Test Objective: To measure the speaking fluency level of the 9th-grade students of Class IX B at SMPN 5 Singaraja. Fluency is measured based on four main criteria from the research rubric:

1. Flow and Coherence
2. Pace
3. Pronunciation
4. Confidence

A. Instructions for the Researcher/Teacher

1. The test is to be conducted in pairs (two students).
2. Give each pair approximately 2-3 minutes to read and understand the dialogue script in Part A.
3. Turn on the recording device (audio or video) to document the entire test process.
4. Ask the students to begin the dialogue in Part A. Do not interrupt while they are speaking.
5. After Part A is completed, proceed to Part B by asking the questions clearly to each student in order.
6. Allow students a reasonable amount of time to think and respond to the questions in Part B.
7. Use the Fluency Scoring Rubric to assess each student's performance individually.

B. Instructions for Students

- "Today, we are going to have a speaking test. You will work in pairs."
- "This test has two parts. First, you will read a short dialogue with your partner. Second, I will ask each of you some questions related to the story 'The Giraffe, The Pelly and Me'."
- "Don't be afraid of making mistakes. Try to speak in a relaxed, clear, and confident manner. The entire conversation will be recorded for scoring purposes."

TEST SCRIPT

PART A: Scripted Dialogue

- Context: Two friends are discussing a book they have just read.
- Roles: Student 1 and Student 2

(Begin Dialogue)

Student 1: Hey, have you read the book 'The Giraffe, the Pelly and Me' by Roald Dahl? I just finished it, and it was so fun!

Student 2: Oh, yes! I have. I love the characters, especially the Pelican with his amazing beak that can stretch. It's so imaginative! What about you?

Student 1: I agree! I think the Giraffe is the most interesting one. Her neck can reach any window. And Billy is so lucky to be friends with them.

Student 2: That's true. The story also has a good message. What do you think the story teaches us?

Student 1: I think it teaches us about teamwork and using our unique talents. Together, they created a very successful window-cleaning company.

Student 2: Exactly! It's a very creative story. I think it would be fun to make a short drama about their adventures.

(End Dialogue)

PART B: Semi-Structured Questions and Responses

- Instruction for Researcher: Ask the following questions to each student alternately.

Questions for Student 1:

1. In the dialogue, you said Billy is lucky to be friends with the animals. Can you explain more why you think he is lucky?
2. If you were a part of their window-cleaning company, what special skill would you want to have? Why?
3. Besides the Duke's house, where else do you think they should go for their next adventure?

Questions for Student 2:

1. You mentioned that the story teaches about teamwork. Can you give an example of good teamwork from the story?
2. The Pelican has a magic beak. If you had a magic beak like him for one day, what would you do?
3. Which character in the story is your favorite? Please describe the character and tell me why you like them.

Appendix 4 : Completed Observation Worksheet - CYCLE 1

NO	Activity	Notes
Opening Activity		
1	Students' response to the teacher's greeting	Mixed responses. About a third of the class replied in English. Others were silent or relied on their native language. Many students looked hesitant.
2	Students follow the teacher's instructions	Many seemed passive and waited for instructions.
Main Activity		
1	Students demonstrate understanding of the text "The Giraffe, The Pelly and Me"	Most groups understood the basic plot. They struggled to articulate deeper themes or character motivations in English.
2	Students engage in group discussions (Character and Plot Analysis)	A few active students in each group could identify basic traits. Most were unable to provide detailed analysis.
3	Students demonstrate fluency in speaking during group discussions	Uneven participation. In most groups, 1-2 students dominated while others were passive.
4	Students create and perform a dialogue based on the story	Limited creativity at this stage. Most groups were unsure how to start and needed significant encouragement from the researcher.
5	Students use proper intonation and expression during performances	Students were very nervous and read their lines in a flat, monotone voice. Little use of expression or body language.
6	Level of confidence and enthusiasm during the drama presentation.	Low confidence was the biggest issue. Many students looked at the

		floor while speaking and spoke very softly
7	Students' ability to rewrite parts of the story into a play script	The teacher had to lead the summary almost entirely.
8	Students show improvement in pronunciation and fluency in English	and clarity of speech. Pronunciation was a challenge for many, with common errors on words like "Giraffe," "Pelly," and "character."
9	Students' ability to reflect on their learning and provide feedback	Very few students volunteered to share their thoughts. Those who did spoke in very simple, incomplete sentences.
10	Students collaborate effectively in group tasks	Some groups collaborated well, but others struggled with passive members who did not contribute
11	Students providing support, input, or help to their group members.	Observed only in a few instances. Most students worked individually even when seated in a group.

Appendix 5 : Completed Observation Worksheet - CYCLE 2

NO	Activity	Notes
Opening Activity		
1	Students' response to the teacher's greeting	Huge improvement. Almost all students responded in English with more confidence. The classroom atmosphere felt more lively and dynamic.
2	Students follow the teacher's instructions	The targeted pronunciation drills were very effective. Students actively participated and tried to imitate the sounds correctly.
Main Activity		
1	Students demonstrate understanding of the text "The Giraffe, The Pelly and Me"	Students now discuss not just the plot, but also the characters' feelings and motivations. Deeper understanding is evident
2	Students engage in group discussions (Character and Plot Analysis)	Students confidently describe characters and how they work together, using vocabulary from the book.
3	Students demonstrate fluency in speaking during group discussions	Almost all students participated actively, even those who were quiet in Cycle 1.
4	Students create and perform a dialogue based on the story	The more structured scripts and role cards helped them perform with more focus. They started to add their own creative lines.
5	Students use proper intonation and expression during performances	A dramatic increase in expressive language use. Students used different voices for characters and more body language
6	Level of confidence and enthusiasm during the drama presentation.	Confidence rose sharply across the class. Students seemed to enjoy performing and were

		less afraid of the audience.
7	Students' ability to rewrite parts of the story into a play script	Several students volunteered to help summarize the key points of the lesson in English.
8	Students show improvement in pronunciation and fluency in English	The focused drills paid off. Pronunciation of key words is much clearer and more accurate
9	Students' ability to reflect on their learning and provide feedback	Many students were eager to share their feelings about the activity. They were able to articulate what they learned and enjoyed.
10	Students collaborate effectively in group tasks	Collaboration is now the norm. Groups work cohesively, and discussions are productive
11	Students providing support, input, or help to their group members.	Students were observed giving each other feedback and encouragement, such as "Your pronunciation is good!" or correcting each other gently.

Appendix 6: Students' Interview

Question	Students' Answers
<p>Can English learning using drama-based pedagogy create a good atmosphere in the classroom? <i>(Apakah pembelajaran bahasa Inggris menggunakan drama berbasis pedagogi dapat menciptakan suasana yang baik di dalam kelas?)</i></p>	<p>Siswa A: Iya, Kak. Sangat lebih baik. Saya kan orangnya pendiam, biasanya takut kalau disuruh ngomong di depan. Tapi karena kemarin itu ramai-ramai sama teman, jadi suasananya lebih santai, tidak menakutkan.</p> <p>Siswa B: Seru banget, Kak! Beda dari biasanya. Biasanya kan cuma duduk, dengar guru, catat. Agak membosankan. Kalau kemarin kita banyak gerak, banyak diskusi, jadi kelasnya hidup</p> <p>Siswa C: Iya, Kak, kondusif. Karena kita langsung praktik. Teori sedikit, praktiknya banyak. Jadi ilmu bahasanya langsung dipakai, tidak cuma dihafal.</p> <p>Siswa D: Asyik, Kak. Saya suka karena banyak kerja kelompoknya. Jadi bisa diskusi sama teman, tukar pikiran. Nggak belajar sendiri-sendiri.</p> <p>Siswa E: Pengalaman yang sangat bagus, Kak. Suasana kelasnya jadi positif sekali. Semua orang jadi aktif, tidak ada yang pasif. Rasanya menyenangkan dan tidak ada tekanan sama sekali</p>
<p>Does English learning using drama-based pedagogy increase your learning interest? <i>(Apakah pembelajaran bahasa Inggris menggunakan drama berbasis pedagogi meningkatkan minat belajar Anda?)</i></p>	<p>Siswa A: Iya. Tadinya saya tidak terlalu suka bahasa Inggris karena sulit. Tapi karena ceritanya menarik dan kegiatannya seru seperti bermain peran, saya jadi lebih tertarik untuk ikut.</p> <p>Siswa B: Oh, jelas! Saya jadi penasaran sama ceritanya, karakternya lucu-lucu. Jadi pas belajar itu nggak terasa seperti belajar, lebih kayak main drama. Jadi semangat ikut pelajarannya</p> <p>Siswa C: Bertambah. Saya jadi tahu kalau bahasa Inggris itu bukan cuma grammar, tapi soal komunikasi. Jadi lebih menarik karena langsung terasa gunanya.</p> <p>Siswa D: Meningkat. Karena belajarnya bareng teman-teman. Jadi kalau ada yang tidak tahu, bisa tanya langsung. Kami juga saling bantu menghafal dialog.</p> <p>Siswa E: Tentu saja. Cerita dari Roald Dahl itu sendiri sudah menarik. Ditambah lagi dengan cara belajarnya yang pakai drama, membuat saya sangat termotivasi. Saya merasa ini bukan sekadar belajar, tapi mengekspresikan diri</p>
Does English learning using drama-based pedagogy motivate you to learn English?	<p>Siswa A: Iya, Kak. Saya jadi termotivasi karena saya lihat teman-teman yang lain</p>

<p><i>(Apakah pembelajaran bahasa Inggris menggunakan drama berbasis pedagogi memotivasi Anda untuk belajar bahasa Inggris?)</i></p>	<p>juga berani mencoba. Saya jadi tidak mau ketinggalan, jadi saya paksakan diri untuk ikut aktif, dan ternyata bisa.</p> <p>Siswa B: Sangat termotivasi. Karena kegiatannya menantang. Apalagi pas disuruh bikin dialog sendiri, jadi tertantang untuk kreatif. Saya ingin kelompok saya tampil bagus, jadi saya lebih berusaha</p> <p>Siswa C: Termotivasi untuk bisa lancar seperti di dialog. Pas dengar contoh dari Kakak, terus lihat teman-teman latihan, jadi ingin bisa juga ngomongnya luwes.</p> <p>Siswa D: Iya. Motivasi dari teman-teman itu besar. Kalau lihat teman satu kelompok semangat, saya jadi ikut semangat. Kami ingin kelompok kami jadi yang terbaik pas tampil.</p>
<p>Is English learning using drama-based pedagogy beneficial for your English fluency learning? <i>(Apakah pembelajaran bahasa Inggris menggunakan drama berbasis pedagogi bermanfaat untuk pembelajaran kefasihan bahasa Inggris Anda?)</i></p>	<p>Siswa A: Bermanfaat. Karena dipaksa untuk terus berbicara pakai dialog. Jadi mau tidak mau harus latihan. Kalau di buku kan cuma baca dalam hati.</p> <p>Siswa B: Bermanfaat. Soalnya kita ngobrol terus pakai bahasa Inggris. Awalnya campur-campur, tapi lama-lama jadi terbiasa.</p> <p>Siswa C: Paling bermanfaat, Kak. Dibanding metode lain, ini yang paling terasa efeknya. Lidah saya rasanya tidak kaku lagi</p> <p>Siswa D: Sangat bermanfaat. Karena kami saling mengoreksi. Misalnya lafal saya salah, teman saya kasih tahu. Begitu juga sebaliknya. Jadi belajarnya lebih cepat.</p> <p>Siswa E: Manfaatnya langsung terasa. Kami tidak hanya menghafal, tapi benar-benar menggunakan bahasa itu dalam konteks percakapan. Jadi kami belajar intonasi, ekspresi, dan kecepatan bicara secara alami.</p>
<p>Does English learning using drama-based pedagogy improve your fluency in speaking t? <i>(Apakah pembelajaran bahasa Inggris menggunakan drama berbasis pedagogi meningkatkan kefasihan berbicara anda?)</i></p>	<p>Siswa A: Meningkat, Kak. Mungkin belum lancar sekali, tapi saya jadi lebih berani. Dulu kalau ditanya, saya diam saja. Sekarang setidaknya saya berani menjawab walaupun sedikit-sedikit. Rasa takut salahnya berkurang.</p> <p>Siswa B: Ada, Kak. Dulu saya kalau ngomong mikirnya lama. Sekarang karena sudah terbiasa latihan dialog, jadi lebih cepat. Nggak banyak berhenti untuk mikir kata-katanya.</p>

	<p>Siswa C: Meningkat pesat. Dulu saya sering berhenti di tengah kalimat, sekarang sudah bisa ngomong satu kalimat penuh tanpa berhenti. Kata-katanya lebih mengalir.</p> <p>Siswa D: Iya, meningkat. Dan yang paling penting, saya jadi lebih percaya diri. Karena tampilnya bareng-bareng, jadi malunya dibagi-bagi (tertawa). Rasanya aman untuk buat salah karena semua juga lagi belajar.</p> <p>Siswa E: Sangat. Saya bisa merasakannya. Dulu kalau mau jawab pertanyaan guru, saya harus menyusun kalimat di kepala dulu lama sekali. Sekarang saya bisa lebih spontan. Rasa percaya diri saya juga meningkat drastis karena lingkungan belajarnya sangat mendukung. Ini metode terbaik yang pernah saya coba untuk speaking.</p>

Billy: Near my home, there was an old house. In the past, it was a candy store. What a great place for a candy store!

Narrator 1: One day, the house had a new door. A very, very tall door.

Billy: Then, one of the top windows opened, and a head looked at me with big, dark eyes.

Narrator 2: A second window opened, and there was a big pelican.

Billy: Who is your friend in the next window?

Pelican: She is the Giraffe!

Narrator 1: A third window opened below the Pelican—and there was a Monkey! He sang,

Monkey: (Singing) We can clean windows!
We work really hard,
We never stop to drink tea.
Who needs a ladder?
