STATEMENT LETTER

I hereby declare that this post-graduate thesis in education, written as the partial requirement for the degree of Master in Education, is entirely my work. All information in this thesis was derived from the work of others and was cited by citing the source authors' names according to the academic norms, rules, and ethics. If it is discovered in the future that a portion or the whole thesis is not my original work or that there is a case of plagiarism, I will willingly accept the consequences of my academic title withdrawal and other sanctions as postulated by Indonesian National Law.

ACKNOWLEDGEMENT

Praise and thanks be to God Almighty for His blessings, so that the thesis entitled “The Effect of Tongue Twister Strategy on English Pronunciation and Fluency of Widiatmika Elementary School Students” can be completed as planned. This thesis was written to fulfill one of the requirements for obtaining a Master of Education degree from Ganesha University of Education in the English Education Study Program.

The completion of this thesis has received considerable support from various parties. Therefore, the writer would like to express her gratitude and appreciation to the following parties.

1. Ibu Prof. Dr. Ni Made Ratminingsih, M.A., as the first supervisor who patiently guided, directed, and given meaningful motivation, thereby enabling the writer to overcome various obstacles in the process of studying and completing this thesis;
2. Bapak Prof. Dr. I Nyoman Adi Jaya Putra, M.A., as the second supervisor, who generously given support, suggestions, and guidance to the writer until the completion of this thesis;
3. Ibu Prof. Dr. Ni Luh Putu Sri Adnyani, S.Pd., M.Hum. and Bapak Dr. I Wayan Swandana, S.S., M.Hum., as the examiners who have provided a lot of useful feedbacks for the improvement of this thesis;
4. The students of classes IV A and IV D at SD Widiatmika, who have been actively involved as research subjects;
5. Bapak I Putu Edi Purwanta, S.Pd., as the principal of SD Widiatmika who has given the writer permission to conduct research at SD Widiatmika;
6. The Coordinator of the English Education Study Program and all the staff lecturers, who have greatly assisted and supported the writer during the preparation of this thesis;
7. The Director of Ganesha University of Education Postgraduate Program and staff, who have provided considerable assistance during the completion of this thesis;
8. The Rector of Ganesha University of Education, who has provided moral

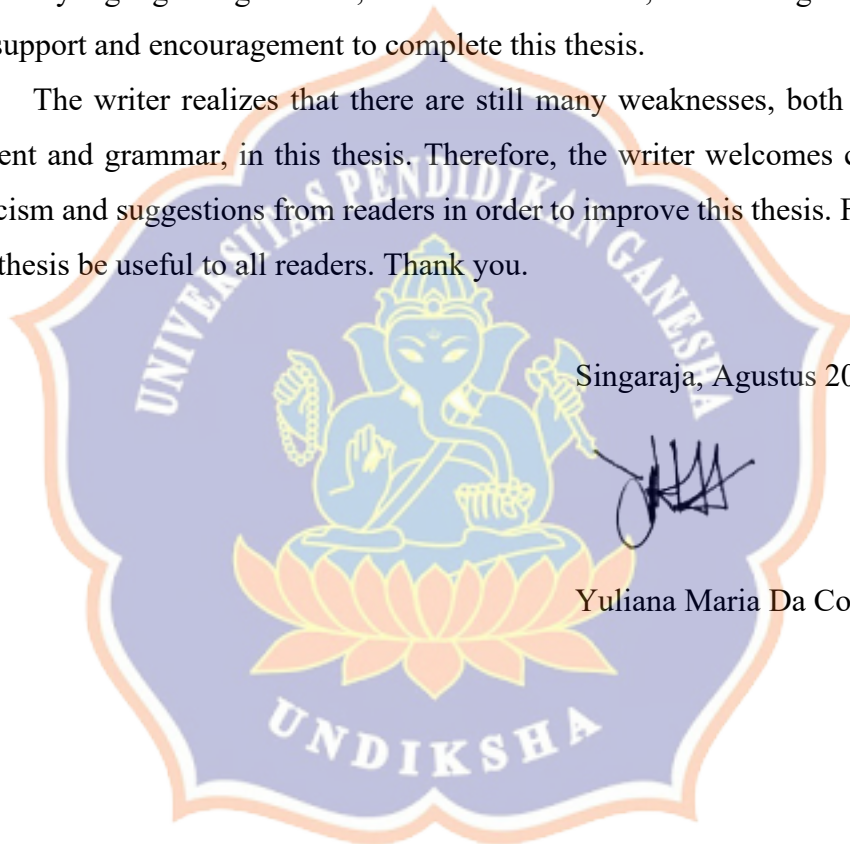

support and facilitated the writer's needs in completing this thesis;

9. My colleagues in the English Education Study Program, each with their own unique characteristics, have contributed greatly in supporting the writer in completing this thesis;
10. Bapak Martinho Dakosta and Ibu Maria Mahdalena Wastini, as the writer's parents, who have provided considerable support and material during the completion of this thesis. May all their assistance be rewarded by God Almighty with blessings, health, and happiness in their lives;
11. Reffly Agung Inang Rinardi, as the writer's fiancé, who have given the writer support and encouragement to complete this thesis.

The writer realizes that there are still many weaknesses, both in terms of content and grammar, in this thesis. Therefore, the writer welcomes constructive criticism and suggestions from readers in order to improve this thesis. Finally, may this thesis be useful to all readers. Thank you.
