ACKNOWLEDGEMENTS

The author expresses his gratitude to God Almighty, because thanks to His grace, this thesis entitled **“Developing Interactive Videos for Facilitating Reading Activity in An Inclusive Class at The Fourth Grade of SDN 2 Bengkulu”** can be completed. This thesis is submitted to fulfill some of the requirements to obtain a bachelor of education degree at Ganesha University of Education.

In completing this thesis, the author received a lot of help, both morally and materially from various parties. Therefore, on this occasion, the author would like to express his gratitude to:

1. I would like to express my deepest gratitude to Prof. Dr. I G A Lokita Purnamika Utami S.Pd., M.Pd, as the first supervisor who has patiently guided me in completing this thesis. The guidance, direction, and knowledge that she provided became a motivation for me to understand the complexity of this research.
2. Without the tireless guidance of I Ketut Trika Adi Ana, S.Pd., M.Pd. as my second supervisor, it would have been impossible for me to complete this thesis properly. His dedication and expertise inspired me to continue learning and developing.
3. I dedicate this work to my parents Wayan Sugiana and Ni Wayan Sari, who always support me. They are the greatest source of strength and inspiration in my life.
4. Thank you to my older sisters Putu Dessy Savitri Dewi and Made Diah Apsari Dewi who always provide enthusiasm and motivation. Their support encourages me to face all challenges.
5. I am sincerely grateful to my friends in arms whom I cannot mention one by one, who always accompanied and supported me during the thesis preparation process.
6. I would like to thank SDN 2 Bengkulu for providing me with the facilities and opportunity to conduct this research. Complete facilities really helped me in completing this research well.

The author is fully aware that what is presented in this thesis is still far from perfect due to the limitations of the author's abilities. Therefore, for the sake of perfection of this thesis, the author expects constructive criticism and suggestions from various parties. The author hopes that thesis can be useful for all of us, especially for the progress of the educational sector.

Singaraja,

Author
