## STATEMENT SHEET

I declare truthfully that the dissertation I prepared as a condition for obtaining a doctoral degree from the postgraduate program of Universitas Pendidikan Ganesha is entirely my own work. As for certain parts in the writing of the dissertation that I cited and the works of others, the sources have been clearly written in accordance with the norms, rules, and ethics of scientific writing.

If in the future it is found that all or part of this dissertation is not my own work or that there is plagiarism in certain parts, I am willing to accept the sanction of revocation of the academic degree I am holding and other sanctions in accordance with the applicable laws and regulations.

Singaraja

Zhou Ying

## **ACKNOWLEDGEMENT**

I would like to express my deepest appreciation to all individuals and institutions who contributed to the successful completion of this research study. First and foremost, I extend my sincere gratitude to my supervisor for their invaluable guidance, constructive feedback, and constant encouragement throughout the research process. Their expertise and support were instrumental in shaping the direction and quality of this work.

My heartfelt thanks also go to the faculty members and administrative staff who provided assistance, resources, and a supportive academic environment. I am equally grateful to the participating students and institutions who willingly contributed their time and responses, without which this study would not have been possible. I would also like to acknowledge the support of my colleagues, friends, and family members who offered motivation, understanding, and continuous encouragement during the challenges encountered in this research journey. Their unwavering support kept me focused and determined.

Finally, I express my profound appreciation to everyone who, in one way or another, contributed to the completion of this study. Your support and contributions have been truly meaningful and deeply appreciated.
