

## CURRICULUM VITAE

**Wayan Restu Cahyana** was born on December 22, 2003. He is an Indonesian citizen and currently resides in Sambangan Village, Sukasada District, Buleleng Regency, Bali Province, Indonesia. The author completed his elementary education at SD Negeri 1 Bakti Seraga. He then continued his studies at SMP Negeri 4 Singaraja and later pursued vocational secondary education at SMK Negeri Bali Mandara. After completing his secondary education, he continued his studies in the Informatics Engineering Education Study Program at Universitas Pendidikan Ganesha. During his academic journey at Universitas Pendidikan Ganesha, the author actively participated in student organizational activities. In the 2023/2024 period, he served as the Second General Secretary of the Student Executive Board of the Faculty of Engineering and Vocational Studies (BEM FTK) at Universitas Pendidikan Ganesha. Subsequently, in the 2024/2025 period, he was entrusted with the position of President of BEM FTK Universitas Pendidikan Ganesha. In addition to his organizational involvement, the author gained internship experience at the Dinas Komunikasi, Informatika, Persandian, dan Statistik Kabupaten Buleleng. This experience provided him with opportunities to develop his knowledge and skills in information technology and its implementation within a governmental environment. At the end of his undergraduate studies, the author completed a thesis entitled "**Classification of Monkey Characters in Balinese Ramayana Shadow Puppet Using Convolutional Neural Network Method with ResNet-50 and VGG-16 Architectures**" as one of the requirements for obtaining a Bachelor of Education degree in the Informatics Engineering Education Study Program at Universitas Pendidikan Ganesha. At the time of writing this thesis, the author remains enrolled as a student in the Informatics Engineering Education Study Program at Universitas Pendidikan Ganesha.
