ACKNOWLEDMENT

First of all, the author would like to express her deepest gratitude to The Almighty God, Ida Sang Hyang Widhi Wasa, for the blessings given so that the author can complete this thesis entitled “**The Linguistic Landscape of Senior High Schools in Singaraja: Analyzing the Language Use and Social Values on School Signs**” on time. This thesis was developed to fulfill the requirements for the Bachelor of Education degree at Ganesha University of Education (UNDIKSHA). The author would also like to express deepest appreciation and gratitude to those who have provided motivation, support, criticism, and suggestions in the completion of this thesis:

1. Dr. I Made Suta Paramarta, S.Pd., M.Hum., as the first supervisor, has been kind to provide inspirational ideas, direction, guidance, advice, motivation, and patience during the process of completing this research.
2. Amanda Vira Maharani, S.Pd., M.Li., as the second supervisor who patiently guided and provided suggestions, direction, and advice that were very useful in completing this research.
3. Prof. Dr. I Gede Budasi, M.Ed., as the first examiner, provided valuable feedback that was very useful in completing this research.
4. Dr. Dewa Putu Ramendra, S.Pd., M.Pd., as the second examiner, provided valuable feedback that was very useful in completing this research.
5. The school’s principal of SMA Negeri 1 Singaraja and SMA Laboratorium Undiksha Singaraja, for their kind and permission, warm cooperation, and active participation during the data collection process.
6. All informants who were willing to be interviewed and provided support to complete this research.
7. My beloved parents, who have always provided unconditional love, sincere prayers, and support morally and financially.
8. My dearest siblings, who have always supported the author in completing this thesis.

The author recognizes that this thesis is far from perfect due to their own limitations. Therefore, for the improvement of this thesis, constructive criticism and suggestions from various parties are highly expected. The writer hopes that this thesis will benefit all, particularly the development of the educational and linguistic applied fields.
