## ACKNOWLEDGEMENT

First of all, the writer would like to thank God, Ida Sang Hyang Widhi Wasa for all the blessing during these years of study. The writer also would like to convey tons of love and thank for the surrounded people who support and give a lot of contribution on this thesis;

1. Made Hery Santosa as the first supervisor for giving me unstoppable support, understanding, suggestions, detail comments, care, knowledge, and trust along the completion of this thesis even in the hardest condition,
2. Kadek Sintya Dewi. as the second supervisor for giving me inspiration to make this thesis and providing me with detail advices, suggestions, comments, knowledge about research methodology, and motivation to accomplish this thesis,
3. Late Gede Batan for the inspiration and motivation as the first academic supervisor for the first three years in English Language Education,
4. Komang Arie Suwastini as my academic supervisor for the suggestions and support given during this hardest semester to be completed,
5. All of ELE lecturers for the meaningful knowledge and enjoyable learning along these 4 years study,
6. Gede Mahendrayana. as the English lecturer of English Language Education Department for providing me time and information related to the research needs,

7. I Gusti Ngurah Gede Putra as a coach, brother, and best friend from the beginning of this study,
8. Ni Made Wahyu Suganti Cahyani for her help in doing proofread for the thesis,
9. All of 1D and 1F students of English Language Education for the help during the treatment and active involvement in every session,
10. Parents and family for the endless love and support physically, mentally, and financially for me during these years of study. I thank them for being so awesome and strong so I can do the same to finish this study for me and for them,
11. The Writer's friends: NAYS for being brothers and sister during away from home in these 4 years study, Alpha Class for being together as family in these 4 years study, TEYL Class 2018 for being super fun and kind during the concentration class, and all of those who got involved.

It is true that this research is still far away from the perfections, hence constructive criticism and suggestions are highly appreciated and recommended to be given for this research.
