ACKNOWLEDGEMENT

Praise and gratitude are offered to God Almighty for His grace, so that the thesis entitled “Analysis of *Tri Hita Karana* values in Junior High School English Textbooks entitled *English for Nusantara*” can be completed in accordance with the plan. This study was written to fulfil one of the requirements for the Master of Education degree at Universitas Pendidikan Ganesha in the English Language Education Study Program. The motivation and assistance of various parties have supported the completion of this study. Therefore, the author would like to express my gratitude and appreciation to the following parties.

Prof. Dr. Ni Komang Arie Suwastini, S.Pd., M.Hum., as my first supervisor, has patiently guided, directed, and provided such meaningful motivation. Thus, the author was able to overcome various obstacles in the process of completing this study;

Dr. Ni Wayan Surya Mahayanti, S.Pd., M.Pd., as the second supervisor, who, with her distinctive communication style and pattern, has fuelled the author’s motivation, enthusiasm, and hope throughout the research and writing of this study, allowing this study to be realized successfully as expected;

Prof. Dr. Ni Made Ratminingsih, M.A., and Dr. Dharma Susena Suyasa, S.Pd., M.Hum., as examiners who have provided many meaningful inputs for the improvement of this study.

The coordinator of the study program and the lecturers who have provided much assistance and motivation during the preparation of this study;

The Director of Postgraduate Program and the staff who have provided much assistance during the completion of this study;

The Chancellor of Universitas Pendidikan Ganesha, who has provided moral support and facilitated various aspects of the author’s interest in accomplishing this study;

My fellow students in the English Language Education Study Program, whose individual characters have contributed significantly to shaping the author’s identity during the course and the completion of this study;

My father, the late Elva Julya Resnawan, my mother, Luh Ardini, and my sisters, Kadek Verlita Dwi Yanti and Komang Venita Triyantini, who have provided much material and support during the completion of this study;

My beloved friend since I was in kindergarten, Ketut Enny Okta Ardiani, who has supported and accompanied me in important moments during the completion of this study;

My workmates, Ms Je, Ms Vera, and Ms Juli, have supported and motivated me during the completion of this study.

May all the help and support they have given in completing this study be blessed with a corresponding reward from the Almighty God, health, and harmony in life.

The author realizes that this study is far from perfect. However, its presence in the academic community will contribute to the knowledge base that drives scientific development. Hopefully, this study will be beneficial to the academic community, especially those who claim to be under the auspices of education.
