ACKNOWLEDGEMENT

All praise and deepest gratitude are devoted to God Almighty, Ida Sang Hyang Widhi Wasa, for His endless blessings and guidance, which have enabled the author to accomplish this thesis entitled The Comparison of Swear Words Between Balinese and Swiss German. This thesis is submitted in partial fulfillment of the requirements for obtaining a Bachelor's degree in Education at Ganesha University of Education. Throughout the completion of this study, the author has received invaluable support, both morally and materially, from various parties. Therefore, the author would like to express sincere appreciation to:

1. Prof. Dr. I Gede Budasi, M.Ed., as the first supervisor in this research. Thank you for your patience, kindness, sincerity, and knowledge, as well as the suggestions and counsel you have provided to the author and this research.
2. Dr. Rima Andriani Sari, S.Pd., M.Hum., as the second supervisor in this research. Thank you for your valuable feedback, thoughtful advice, and consistent support, which have contributed to the development of this thesis.
3. Thanks to my beloved family, especially my parents and my brothers, for their endless love, prayers, motivation, and unwavering support during the completion of this study.
4. Thanks to my friends, Mahayasa, Puput, Apriliananda, Ayu Pradnya, Cantika and all the mates for their support, encouragement, and companionship throughout the academic journey.
5. My heartfelt gratitude goes to One Piece and my ultimate idol, Monkey D. Luffy. Thank you for accompanying me from the very beginning of this thesis journey until the end. His unwavering determination and iconic smile have been a constant reminder for me to never give up, no matter how tough the challenges became.
6. Thanks to my lovely girlfriend, NKA, for her endless support, patience, and love throughout this process. Thank you for being by my side through every concern and for being the most important part of my journey so far.

The author realizes that this thesis is still far from perfect due to certain limitations. Therefore, constructive suggestions and criticism are sincerely welcomed for future improvement. It is expected that this thesis will provide useful contributions, particularly in the field of education.
