AKCNOWLEDGEMENTS

The author would like to express sincere gratitude to the Almighty God for the endless blessings, guidance and grace, which have enabled the author to complete this research paper entitled **“Developing Digital Comic for Teaching Reading Comprehension and Promoting Climate Action for Elementary School Students in Sekolah Dasar Negeri 1 Tukadmungga”**. This research paper is submitted as one of the requirements for obtaining a Bachelor’s Degree in Education at Ganesha University of Education.

The completion of this research would not have been possible without the support, assistance, guidance and encouragement of many individuals. Therefore, the author would like to express deepest appreciation and gratitude to:

1. Dr. Ni Wayan Surya Mahayanti, S.Pd., M.Pd. as the first supervisor, for her patience, invaluable guidance, constructive feedback and continuous support throughout the completion of this research.
2. Ni Luh Putu Era Adnyayanti, S.Pd., M.Pd. as the second supervisor, for her insightful suggestions, encouragement, and academic guidance that greatly contributed to the improvement of this research.
3. All lecturers of the English Language Education Department, who have generously shared their knowledge, experience and inspiration during the author’s years of study.
4. The Headmaster, teacher of sixth-grade, staff, and students of SD Negeri 1 Tukadmungga, for granting permission, providing assistance and participating in this research.
5. The author’s beloved parents, IPDA Kadek Sandiasa and Luh Widiani, S.H, whose endless love, prayers, sacrifices, support and encouragement have been the greatest source of strength and motivation throughout the author’s life and academic journey.

Words can never fully express my gratitude for everything they have done for me.

6. The author's beloved family members, including my 2 younger sisters (Bintang and Falia), for their unwavering support, understanding and prayers.
7. The author's endless best friends, Icha, Marsya, Nopik (Gerabah), who have been by my side since senior high school until the present day, thank you for your unwavering friendship, support and countless memories. Thank you for staying not only in my happiest moments, but also in the chapters I struggled the most. Your friendship is one of the greatest blessings in my life.
8. The author's best friend Dita, for your encouragement, support throughout my academic journey and laughter during both challenging and memorable moments throughout the first we met in the first semester until the completion of this research.
9. To my umbrella partner, thank you for your support, cooperation and companionship throughout this journey. Sharing the same research topic with you made every challenge easier and every success more meaningful.
10. To my friends who I met in program "Asistensi Mengajar", Aisya, Feni and Desak, thank you for the laughter, support, and valuable memories we shared. Working alongside you has been a wonderful experience that I will always cherish.
11. All friends from class A, who have shared valuable experiences, knowledge and motivation throughout the author's academic years.
12. The author's love, I Wayan Sandi, thank you for being a constant of love, encouragement, understanding and strength throughout this journey. Your patience during difficult times, your belief in my abilities when I doubted myself, and your support have helped me overcome countless challenges. Thank you for listening to my worries, celebrating my progress and reminding me to keep moving forward when the path felt overwhelming. Your presence has brought comfort, motivation and

happiness into this process, making every step feel lighter. I am deeply grateful for your love and companionship, which have become one of the most meaningful parts of this achievement.

13. Special thanks for myself for staying strong, believing in my abilities and never giving up despite the challenges, doubts, and obstacles along the way. This achievement is a reminder that patience and hard work truly matter.
