ACKNOWLEDGEMENT

All praises to God, Allah, for all the grace, love, and blessings that have enabled the author to complete this thesis entitled *Translanguaging as Strategy in Improving Interactions in EFL Class Among Primary School Students and Teacher in SD N 5 Kampung Baru*. This thesis is submitted as one of the requirements for obtaining a bachelor's degree in education at Universitas Pendidikan Ganesha.

This thesis was ultimately completed, made possible by invaluable guidance, support, and the prayers of many individuals. Therefore, the author would like to express sincere gratitude to:

1. Dr. Ni Wayan Surya Mahayanti, S.Pd., M.Pd., as the first supervisor, and Luh Gd Rahayu Budiarta, S.Pd., M.Pd., as the second supervisor, who had given valuable guidance, correction, and suggestions to this research.
2. All of the subjects involved in this thesis, including the headmaster who kindly give permission and the teachers in SD N 5 Kampung Baru, who kindly agreed to participate in this research and share their experiences and perceptions.
3. The author's parents, Agus Darmawan and Ayu Sri Supraptini who have always provided endless love, sincere prayers, unwavering support, and countless sacrifices throughout the author's academic journey. Their patience, encouragement, understanding, and continuous efforts in facilitating every single path have made these achievements possible. The author is deeply grateful for their trust, motivation, and guidance, which became the greatest source of strength in completing this study and pursuing every dream.
4. The author's siblings, Ria Wanty Darmawan and Raga Fahmy Darmawan, for always giving endless love, support, and encouragement throughout the process of completing this study. Their presence, care, and warm companionship have always helped calm the author during difficult times and filled the author's heart with happiness, comfort, and motivation to keep moving forward. Thank you for always being a source of strength and positivity in every situation.
5. The author's fiancé, Kadek Bayu Kusuma, for always being a source of comfort, encouragement, and unwavering support throughout every stage of

this journey. His patience, understanding, and constant motivation gave the author the strength to overcome challenges and continue moving forward during the process of completing this study. Thank you for always being present in every difficult and happy moment, and for making everything feel lighter and easier with endless care and support.

6. The author's beloved best friends, Dilla, Angelina, Intan, Ryan, Merry, Angelica and the late Aditya, for always giving support, care, and unforgettable memories throughout the author's college journey. Their presence made every moment of college life feel warmer, more meaningful, and filled with love. Thank you for always being there through both joyful and difficult times, and for becoming an important part of the author's journey and growth.
7. Last but not least, special appreciation goes to the author herself for staying strong, believing in the process, and continuously trying to become a better person throughout this journey. Despite all the challenges, pressure, and obstacles faced during the completion of this study, the author never gave up and continued working hard until the end. Thank you for surviving every difficult moment, remaining resilient, and proving that every effort and struggle will eventually lead to meaningful growth and achievement.

The author realizes that this research is still not perfect for the structure and content. The author hopes that suggestion and constructive criticism are highly expected for this research to make this study even better.
